'The Merchant of Venice' Act 1 Summary - ThoughtCo

What is a short summary on Merchant of Venice? Antonio, a merchant, agrees to loan money to his friend Bassanio so he can woo his beloved Portia. However, Antonio's money is tied up in his ships...

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The Merchant of Venice is a play by William Shakespeare, believed to have been written between 1596 and 1598. Although classified as a comedy in the First Folio, and while it shares certain aspects with Shakespeare's other romantic comedies, the play is perhaps more remembered for its dramatic scenes, and is best known for the character of Shylock.

Four hundred years after its first performance, The Merchant of Venice continues to draw audiences, spark debate, and elicit controversy. This collection of new essays examines the performance and study of Shakespeare's play from a broad range of contemporary critical approaches. The contributors, drawn from four continents, build upon recent scholarship in new historicism, feminism, performance theory, and postcolonial studies to present new perspectives on the play, and offer fresh insights into its critical legacy on stage and as a literary text. A substantial introductory essay provides important historical context and surveys major critical approaches to the play over the centuries. This volume is an essential companion to The Merchant of Venice and a significant contribution to Shakespearean criticism.

Presents the story of Antonio who risks his life to borrow money from his enemy, Shylock, and is saved by Portia, an heiress posing as a lawyer

In Blood Relations, Janet Adelman confronts her resistance to The Merchant of Venice as both a critic and a Jew. With her distinctive psychological acumen, she argues that Shakespeare's play frames the uneasy relationship between Christian and Jew specifically in familial terms in order to recapitulate the vexed familial relationship between Christianity and Judaism. Adelman locates the promise or threat of Jewish conversion as a particular site of tension in the play. Drawing on a variety of cultural materials, she demonstrates that, despite the triumph of its Christians, The Merchant of Venice reflects Christian anxiety and guilt about its simultaneous dependence on and disavowal of Judaism. In this startling psycho-theological analysis, both the insistence that Shylock's daughter Jessica remain racially bound to her father after her conversion and the depiction of Shylock as a bloody-minded monster are understood as antidotes to Christian uneasiness about a Judaism it can neither own nor disown. In taking seriously the religious discourse of The Merchant of Venice, Adelman offers in Blood Relations an indispensable book on the play and on the fascinating question of Jews and Judaism in Renaissance England and beyond.

Here are the books that help teach Shakespeare plays without the teacher constantly needing to explain and define Elizabethan terms, slang, and other ways of expression that are different from our own. Each play is presented with Shakespeare's original lines on each left-hand page, and a modern, easy-to-understand "translation" on the facing right-hand page. All dramas are complete, with every original Shakespearian line, and a full-length modern rendition of the text. These invaluable teaching-study guides also include: Helpful background information that puts each play in its historical perspective. Discussion questions that teachers can use to spark student class participation, and which students can use as springboards for their own themes and term papers. Fact quizzes, sample examinations, and other features that improve student comprehension of what each play is about.

Summary: [illegible] (The Merchant of Venice) [illegible] (William Shakespeare) [illegible] 3000 [illegible]

This student friendly book draws together text, context, criticism and performance history to provide an integrated view of one of the most dazzling works of the early modern theatre.

The question is not whether Shakespeare studies needs feminism, but whether feminism needs Shakespeare. This is the explicitly political approach taken in the dynamic and newly updated edition of A Feminist Companion to Shakespeare. Provides the definitive feminist statement on Shakespeare for the 21st century Updates address some of the newest theatrical andcreative engagements with Shakespeare, offering fresh insights into Shakespeare's plays and poems, and gender dynamics in early modern England Contributors come from across the feminist generations and from various stages in their careers to address what is new in the field in terms of historical and textual discovery Explores issues vital to feminist inquiry, including race, sexuality, the body, queer politics, social economies, religion, and capitalism In addition to highlighting changes, it draws attention to the strong continuities of scholarship in this field over the course of the history of feminist criticism of Shakespeare The previous edition was a recipient of a Choice Outstanding Academic Title award; this second edition maintains its coverage and range, and bringsthe scholarship right up to the present day
