Dedication service for the new church building held on Sunday, March 6, 2005 at 4:00 p.m. at St. James A.M.E. Zion Church.

I prayed a lot and asked people who understood the importance of prayer to pray for me as I fought to understand the natural and supernatural battle I was fighting. I asked God to give me and my family the information we needed to be well in every area of our lives. Some days were better than others, but eventually, I became strong enough to walk away from hopelessness and depression and go into the arms of God. He is more real to me now than ever before. I implemented my findings as soon as I understood how to apply them by making changes in manageable ways until I received a breakthrough on a daily basis. Sometimes I had to start over again. I didnt have a medical background, so I went to the Great Physician, our Lord and Savior, to guide me as I embarked on this journey. He is true to His word and was with me every step of the way. To our God, Yahweh, goes the glory!
