With her siblings all gone, back to their self-obsessed lives, she is now alone with the faltering wreck of her father's cancer-ridden body. It is always at times like this when it--the dark and nameless, the impossible, presence that lingers along the fringes of the dark fields beyond the house--comes calling. As the clock ticks away in the darkness, she can only wait for it to find her, a reunion she both dreads and aches for...
