Volkswagen Beetles and their  
variants are some of the  
most iconic and easily  
recognizable cars on the  
road! The classic air-cooled  
Volkswagen Beetle,  
officially the Volkswagen  
Type 1, is regarded as one

The rest--from Type 2 vans, pickups, and campers to the Type 113 "Super Beetle"--is included here. If you're the owner of a Volkswagen or if you just love their iconic look and you're interested in their evolution, this book deserves a place on
