Nestled in Sonoita Valley along the banks of Sonoita Creek, just 15 miles north of Mexico, Circle Z Guest Ranch welcomes vacationers to experience a taste of the Old West, with the comfortable pleasures of a traditional family-style ranch but without the risks. Horseback riding, relaxation, and cowboy cookouts have been the ranch 's main attractions for the past 90 years, earning Circle Z the distinction of being the oldest continuously operating guest ranch in Arizona. It evolved from a four-room adobe homestead to a working cattle ranch before becoming a highly profitable sheepherding operation. In 1924, brothers Carl and Lee Zinsmeister arrived in Patagonia with a vision of developing a dude ranch with a resort feel. They purchased 5,000 acres of the San Jos é de Sonoita land grant, which included the Sanford estate. Circle Z opened in 1926 and quickly became one of the finest guest ranches in the state. Today, the Nash family operates this memorable ranch famous for its well-trained horses and miles of scenic trails.

Successful Boston attorney Christy McKinley has her routine life interrupted when unexpected events force her to take a leave of absence from work and fly to Colorado to find her two-year-old stepbrother, Matthew. Rugged rancher Jared Reed finds himself in charge of a failing ranch and his two-year-old nephew when his brother and sister-in-law die in a car accident. You could not find two people more different than Christy and Jared. They disagree on everything except their love for little Mathew and their determination to save the ranch. As weeks go by, the attraction between them grows and the old saying that opposites attract comes true.

A group of merrymaking cousins travel to Texas to spend their annual vacation at the Dude Ranch for a week of trail rides, BBQs, barn dances, roping, and other fun activities. They enjoyed meeting new people, and they were not disappointed at the colorful characters they met while on this vacation. They became friends with the Dude brothers, a pregnant lady, and an extra tall ball-bat-toting woman named Tinker Bell. Last year's vacation to Missouri had more adventure than they ever could have imagined. This year they were looking forward to fun and relaxation without problems, but when a guest of the ranch was found murdered on the property, things began to get tense as strange events begin to happen making the cousins nervous and baffled. The cousins along with their new friends they had made at the ranch worked hard to keep their heads clear and stay as sane as possible. They were determined not to get involved with the murder until one of the cousins turned up missing. All bets were off now that one of their own had been taken.

The Leading guide to dude, guest, resort, fly fishing, working cattle ranches and pack trips.

Read Online A Guest At The Ranch

The complete guide to guest and resort, fly-fishing, and cross-country skiing ranches.

Spark, Stace, and Casa have been best buddies since their high school rodeo days. Now they work for a very special guest ranch that caters to gay men who need a break and escape from their high stress fast lane lives. Rainbow Ranch has a reputation for providing precisely the Wild West adventures each guest needs and desires with the cowboys of their hottest dreams. Casa is worried when he sees Stace and Spark have found special partners in guests who 've visited the ranch the past few months. He hates to be the only one left, but he doesn 't think that will work for him. He 's carried a secret torch for his boss way too long to change now. When Jason is hurt in a rodeo accident, Casa is the one who steps in to help and keep things going while Jason recovers. Having dealt life long with prejudice because he is Latino, Casa is afraid to let the other man know. Will matters be taken out of his hands? Jason has realized his dream of a dude ranch for gays. Will this end when his head wranglers hook up with guests, leaving him alone? But Casa, who has always been his secret favorite, steps in to help when Jason is injured and shows no inclination to hook up with a guest and withdraw. Instead, he makes himself almost indispensable. Does he have a hidden motive? Unbeknownst to Jason, Stace 's new partner Jared bears a striking resemblance to him, which makes the three cowboys wonder. Is there some connection and maybe bad blood between the two men? In an effort to bring the two face to face, the cowboys engineer a barbeque, unsure whether the result will be terrific or terrible.

The Ranch on the Beaver continues the hide-and-hoof Horatio Alger story of Wells Brothers: The Young Cattle Kings (also available as a Bison Book). By 1887 the teenage boys, Joel and Dell, have weathered several seasons as ranchers in northwest Kansas. With help from drovers on the nearby Western Trail, they have built up a herd. Looking beyond Beaver Creek, the boys acquire grazing rights in Colorado and Texas. As others fail, they persevere, learning all aspects of a rapidly changing operation—from maturing beef to managing, shipping, and selling it. Drawing on firsthand knowledge, the author of Log of a Cowboy offers a realistic and spirited story mixing hard work and fun.

In the first third of the twentieth century, the 101 Real Wild West Show was known halfway round the world. It featured such headliners as Bill Pickett, the African-American inventor of bulldogging, and the future Hollywood film stars Tom Mix, Buck Jones, and Hoot Gibson. What was not so well known abroad was that the show stemmed from a real, working ranch that rivaled the fabled XIT Ranch in the folklore of the West.
