A sweet tween novel, A Horse for Kate introduces us to twelve-year-old Kate Ferris, who has recently moved to Odell, Oregon from Seattle, Washington. A Horse for Kate deals with so many different coming-of-age topics: moving to a new state and city, finding your place in a new school, making new friends, following your dreams, dealing with disappointment, loving those different from you and respecting your parents.

The horse was a Georgian Grande, a crossbreed of a Friesian and an American Saddlebred. According to horse trainer Wendy Gooding, a copious amount of RIT dye was applied to the horse, presumably to enhance its black sheen. (Lost: The Complete Second Season (DVD)) When Kate approaches the horse, we see a full-length shot of it.

Horse logging is the extraction of timber using horses as ' base machine ' with a wide range of traditional and modern implements. Horse loggers work through the whole range of timber produced in British woodlands; from small coppice poles and firewood, through thinnings in soft and hard woods up to final crop — large saw logs in soft and hard woods.

Incorporated into the first treatment session Kate uses an analysis of your horse's physical and psychological wellbeing, his or her lifestyle, activities, nutrition and any other factors that you believe are important, so that your horses life can be looked at from a holistic point of view.

A horse of her own would be awesome. But Kate figures that might be a long way away, especially since she had to give up riding lessons and move to her late grandfather ' s farm. Besides, it would be a lot more fun to have a best friend to ride with. When Kate discovers a barn on their new farm that ' s perfect for a horse, and a dusty bridle too, she starts to think that her dream might come true. Then she meets Tori at school, who is totally the best. So when they discover a thoroughbred that appears to be all alone, could it be the answer to her prayers? Maybe. If she can convince her dad ... and figure out what ' s going on with that horse.

When Kate's family moves, she leaves behind her friends and the riding lessons she loves, but when she meets Tori and they find a mysterious thoroughbred, her new life might just mean her biggest dream comes true. Simultaneous eBook.

In the third installment in the Horses and Friends series, thirteen-year-old Kate Ferris already has one problem. Snooty, well-to-do Melissa is boarding her horse at Kate ' s family stable. When Melissa suddenly turns nice, Kate is shocked ... and suspicious. The last thing she needs is more trouble. So when a hooded rider appears—and then disappears—on a stunning black horse outside her home, Kate isn ' t sure if Melissa is playing a trick or something more dangerous is going on. Either way, Kate and her friends will need an extra measure of faith and courage to solve this mystery.

Kate ' s dream of owning a horse has finally happened. But now her best friend Tori has no money to buy a horse. So Kate comes up with a plan—she ' ll raise money by boarding horses and hosting a show in her family ' s barn. It seems the perfect solution until Melissa, the girl who disses Kate and Tori at school, shows up to board her horse, determined to compete in their show and win the silver spurs. Will their plan be ruined—or does God have something better in store for them all? Silver Spurs is a tale of overcoming fears and trusting God with your dreams.

In this reissue of bestselling Level 4 DK Reader, meet special horses like Trigger, who can write his name! His is just one of the real-life stories in Horse Heroes. Level 4 readers have fascinating stories that will capture the interest of the increasingly proficient reader range. From true tales of the bravest ponies to some very clever horses, side panels packed with extra background information and fascinating fun facts bring these amazing stories to life. Introducing a rich vocabulary and challenging sentence structure, Horse Heroes will delight young bookworms who are just getting started.

A girl who longs for her own horse is given the chance to care for a troubled, damaged horse, who needs her as much as she needs him. Fourteen-year-old Jane Ryan has always dreamed of having a horse of her own—but so long as she gets to ride her favorite school horse, Beau, at Sunny Acres farm, she's content. And this is the summer she means to try out for the advanced riding class. But just as camp begins, Jane receives heartbreaking news about Beau. She loses, not just her favorite horse, but also her chance to ride in the end-of-summer competition. When her trainer asks for her help with an out-of-control chestnut warmblood, Lancelot, a newcomer to the barn, she has no choice but to say yes. There's another new addition to the farm: Ben Reyes, the grandson of the barn's manager. As Jane struggles to go on without Beau, and to make Lancelot the great horse she believes him to be, her feelings for Ben, her relationships with the privileged group of girls she rides with, and her painful, joyous road to self-discovery all lead to a heart-pounding conclusion that is truly a new beginning. Only Jane's faith in Lancelot, and her own rediscovered skill and strength, can see her through the hard journey toward a horse of her own.

THE SUNDAY TIMES HISTORY BOOK OF THE YEAR 2017 'A beautiful and thoughtful exploration of the role of the horse in creating our world' James Rebanks 'Scintillating, exhilarating ... you have never read a book like it ... a new way of considering history' Observer The relationship between horses and humans is an ancient, profound and complex one. For millennia horses provided the strength and speed that humans lacked. How we travelled, farmed and fought was dictated by the needs of this extraordinary animal. And then, suddenly, in the 20th century the links were broken and the millions of horses that shared our existence almost vanished, eking out a marginal existence on race-tracks and pony clubs. Farewell to the Horse is an engaging, brilliantly written and moving discussion of what horses once meant to us. Cities, farmland, entire industries were once shaped as much by the needs of horses as humans. The intervention of horses was fundamental in countless historical events. They were sculpted, painted, cherished, admired; they were thrashed, abused and exposed to terrible danger. From the Roman Empire to the Napoleonic Empire every world-conqueror needed to be shown on a horse. Tolstoy once reckoned that he had cumulatively spent some nine years of his life on horseback. Ulrich Raulff's book, a bestseller in Germany, is a superb monument to the endlessly various creature who has so often shared and shaped our fate.

Receiving a horse for her tenth birthday, Kate works hard to train him in cattle cutting, but she is disappointed when she cannot enter him in the fair.

When owning, training, riding, and showing horses, there is a certain “ look ” to which one aspires. World-class “ turnout ” —a horse in peak condition, perfectly coiffed and luminous with health, outfitted with gleaming and well-fit tack appropriate for his sport—can take your breath away. And while it can certainly play a significant role in a competitive rider ’ s success, it is just as appealing to have any horse “ groomed to the nines, ” whether he ’ s headed for an afternoon lesson or just out on the trail. Achieving this superior look is not just about clean tack, shiny brass, spotless stockings, or perfect braids. The most important steps are in the day-to-day nitty-gritty of grooming and caring for the horse: noticing “ something not-quite-right ” about the way the horse looks or moves before it becomes “ something wrong ” ; brushing and combing and trimming a little every day so the horse ’ s skin and coat remain healthy; knowing how to prepare a horse properly for training, and how to cool him down afterward. Now, two of the best professional grooms in the business share their trade secrets, with over 1200 color photographs accompanying the ultimate modern-day guide for all riders who want their horses to look and feel their best.

When Kate Farris and her friends witness a cantankerous, old man drop a hand-drawn map, they try to return it to him. After several horseback rides to search for the man, the kids find more adventure than they anticipated. When they hear two men discussing how they plan to rob him, Kate knows they have to warn Mr. Benson before the thieves strike.
