A Night in the Lonesome October is a fun story told from the point of view of Jack the Ripper's loyal dog, Snuff. With a perfect dose of Cthulian flair, the scenes stir the imagination and paint a fantastic picture of Victorian England in the waning years of the 1800s. I left this story feeling satisfied with just a pang of sadness.

London gloom, a knife-wielding gentleman named Jack prowls the midnight streets with his faithful watchdog Snuff - gathering together the grisly ingredients they will need for an upcoming ancient and unearthly rite. For soon after the death of the moon, black magic will summon the Elder Gods back into the world. And all manner of Players, both human and undead, are preparing to participate. Some have come to open the gates. Some have come to slam them shut. And now the dread night approaches - so let the Game begin. Praise for A Night in the Lonesome October: ". . . this book is unique; the premise, Zelazny's writing and the atmosphere conjured up are something very special indeed." "A geek fest extraordinaire with huge wit, warmth and intelligence." "An absolute gem - how can you not to like something written from the perspective of Jack the Ripper's super-intelligent dog?! An outstanding example of truly original fiction." "This is pure brilliance . . . Highly recommended." Editorial reviews: "The last great novel by one of the giants of the genre." George R.R. Martin "A madcap blend of horror tropes and fantasy. . . There aren't many authors who would set out to write a novel in which the Wolfman and Jack the Ripper were the two heroes . . . And I'm not sure anyone else could have made it work." Science Fiction Chronicle "Sparkling, witty, delightful. Zelazny's best for ages, perhaps his best ever." Kirkus Reviews "A cheerful,

A New York Times Notable Book: A woman's suicide leads a man to a Nevada mining town—and a nest of poisonous secrets—in this “top-notch thriller” (Publishers Weekly). There is something about the sad woman eating alone night after night at the Harmony Café that intrigues San Francisco CPA Jim Messenger. Unfulfilled himself, Jim feels a kinship with her—and later, when she commits suicide, he resolves to find out why. His search leads him to Beulah, a middle-of-nowhere mining town in the Nevada desert, where hatreds run deep, where secrets are as venomous as a rattlesnake bite, and where a stranger asking too many questions might inexplicably disappear. Still, in this dusty, barren landscape, Jim feels completely alive. And he's not going anywhere until he uncovers the truth, even if it rips the whole town apart. Richly atmospheric and peopled with achingly human characters, *Blue Lonesome* is a crime novel as tense and coiled as a rattler ready to strike and as dark and hypnotic as the lonesome desert night.

frontier, Larry McMurtry's Pulitzer Prize-winning classic, *Lonesome Dove*, the third book in the *Lonesome Dove* tetralogy, is the grandest novel ever written about the last defiant wilderness of America. Journey to the dusty little Texas town of *Lonesome Dove* and meet an unforgettable assortment of heroes and outlaws, whores and ladies, Indians and settlers. Richly authentic, beautifully written, always dramatic, *Lonesome Dove* is a book to make us laugh, weep, dream, and remember.

Two gods, two houses, one quest, and the eternal war between life and death To save his kingdom, Anubis, Lord of the Dead, sends forth his servant on a mission of vengeance. At the same time, from *The House of Life*, Osiris sends forth his son, Horus, on the same mission to destroy utterly and forever *The Prince Who Was a Thousand*. But neither of these superhuman warriors is prepared for the strange and harrowing world of mortal life, and *The Thing That Cries in the Night* may well destroy not only their worlds, but all mankind. As Zelazny did with the Hindu pantheon in the legendary, groundbreaking classic *Lord of Light*, the master storyteller here breathes new life into the Egyptian gods with another dazzling tale of mythology and imagination.
