Harriet Manners knows more facts than most. She knows that New York is the most populous city in the United States. She knows that its official motto is "Ever Upward". She knows that one in thirty-eight people living in the US lives there. But she knows nothing whatsoever about modelling in the Big Apple and how her family will cope with life stateside. Or "becoming a brand" as the models in New York say. And even more importantly, what to do when the big romantic gestures aren't coming your way from your boyfriend... Does geek girl go too far this time? The laugh out loud follow-up to award-winning debut *Geek Girl and Model Misfit* will have you in stitches!

When she is accidentally discovered by a modeling agent, fifteen-year-old Harriet jumps at the chance to transform herself from a geek to a fashion model.

Nancy Palmer used to be Insta-famous and her twin Nina used to shy away from everyone. Things can change pretty quickly. Nina has been accepted onto a Guildhall music course and is famous because of her pop star boyfriend, Chase. Nancy is trying to put her name on the map by becoming a music journalist and is not getting distracted by Chase's hot bandmate Miles. When their estranged dad shows up out of the blue and shows an interest in Nina's budding music career, Nancy isn't sure he's just there to make
