With extraordinary relevance and renewed popularity, George Orwell ' s 1984 takes on new life in this hardcover edition. " Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power. " —The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell ' s masterpiece " 1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present. " Though the year 1984 now exists in the past, Orwell ' s novel remains an urgent call for the individual willing to speak truth to power.

When the downtrodden animals of Manor Farm overthrow their master Mr Jones and take over the farm themselves, they imagine it is the beginning of a life of freedom and equality. But gradually a cunning, ruthless elite, masterminded by the pigs Napoleon and Snowball, starts to take control. Soon the other animals find themselves hopelessly ensnared as one form of tyranny is replaced with another . . .

Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title Union des r épublicques socialistes sovi étiques.

Samfundssatire fortalt som dyrefabel med historisk baggrund i det interne politiske opgø r blandt Sovjetunionens ledere efter revolutionen.

REA's MAXnotes for George Orwell's Animal Farm MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Each chapter is individually summarized and analyzed, and has study questions and answers.

Animal Farm is an allegorical novella reflecting events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism. In the book, Old Major, the old boar on the Manor Farm, summons the animals on the farm together for a meeting, during which he refers to humans as "enemies" and teaches the animals a revolutionary song called "Beasts of England." When Major dies, two young pigs, Snowball and Napoleon, assume command and consider it a duty to prepare for the Rebellion. The animals revolt, driving the drunken, irresponsible farmer Mr Jones, as well as Mrs Jones and the other human caretakers and employees, off the farm, renaming it "Animal Farm." They adopt the Seven Commandments of Animalism, the most important of which is, "All animals are equal." The original title was Animal Farm: A Fairy Story; U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Eric Arthur Blair (25 June 1903 - 21 January 1950), better known by his pen name George Orwell, was an English novelist, essayist, journalist, and critic. His work is marked by lucid prose, awareness of social injustice, opposition to totalitarianism, and outspoken support of democratic socialism.

Animal Farm is regarded in the literary field as one of the most famous satirical allegories of Soviet totalitarianism. Orwell based the book on events up to and during Joseph Stalin's regime. Orwell, a democratic socialist, and a member of the Independent Labour Party for many years, was a critic of Stalin, and was suspicious of Moscow-directed Stalinism after his experiences in the Spanish Civil War. The plot is an allegory in which the pigs in a farm play the role of the Bolshevik revolutionaries and overthrow and oust the human owners of the farm, setting it up as a commune in which, at first, all animals are equal. The other characters have their parallels in the real world, but care should be taken with these comparisons as they do not always match history exactly and often simply represent generalised concepts. The novel was chosen by TIME Magazine as one of the 100 best English-language novels from 1923 to the present.

Suatu malam, Major, si babi tua yang bijaksana, mengumpulkan para binatang di peternakan untuk bercerita tentang mimpinya. Setelah sekian lama hidup di bawah tirani manusia, Major mendapat visi bahwa kelak sebuah pemberontakan akan dilakukan binatang terhadap manusia; menciptakan sebuah dunia di mana binatang akan berkuasa atas dirinya sendiri. Tak lama, pemberontakan benar-benar terjadi. Kekuasaan manusia digulingkan di bawah pimpinan dua babi cerdas: Snowball dan Napoleon. Namun, kekuasaan ternyata sungguh memabukkan. Demokrasi yang digauangkan perlahan berbelok kembali menjadi tiran di mana pemimpin harus selalu benar. Dualisme kepemimpinan tak bisa dibiarkan. Salah satu harus disingkirkan ... walau harus dengan kekerasan. Animal Farm merupakan novel alegori politik yang ditulis Orwell pada masa Perang Dunia II sebagai satire atas totaliterisme Uni Soviet. Dianugerahi Retro Hugo Award untuk novela terbaik (1996) dan Prometheus Hall of Fame Award (2011), Animal Farm menjadi mahakarya Orwell yang melejitkan namanya. [Mizan, Bentang Pustaka, Novel, Klasik, Fenomenal, Terjemahan, Indonesia]

A beautiful graphic adaptation of George Orwell's timeless and timely allegorical novel. " All animals are equal, but some animals are more equal than others. " In 1945, George Orwell, called " the conscience of his generation, " created an enduring, devastating story of new tyranny replacing old, and power corrupting even the noblest of causes. Today it is all too clear that Orwell ' s masterpiece is still fiercely relevant wherever cults of personality thrive, truths are twisted by those in power, and freedom is under attack. Now, in this fully authorized edition, the artist Ody translates the world and message of Animal Farm into a gorgeously imagined graphic novel. Old Major, Napoteon, Squealer, Snowball, Boxer, and all the animals of Animal Farm come to life in this newly envisaged classic. From his individual brushstrokes to the freedom of his page design, Ody ' s adaptation seamlessly moves between satire and fable and will appeal to all ages, just as Orwell intended.
