Explores the Battles of Lexington and Concord of the American Revolution. Authoritative text, colorful illustrations, illuminating sidebars, and questions to prompt critical thinking make this an exciting and informative read.

""This is the chapter slice "Key Events Gr. 5-8" from the full lesson plan "American Revolutionary War"" Gain insight into the events that gave America its independence to become a new nation. From 1775 to 1783, our resource highlights the details behind a war between the thirteen colonies and Britain. Start with the background information leading up to the war. Understand that Britain established thirteen colonies along the eastern coast of North America. Learn about the Navigation Acts and what they meant to these colonies. Get a sense of the growing tension between American settlers and the British with the Boston Massacre and Boston Tea Party. Find out about George Washington and Thomas Jefferson's roles during this conflict. Learn about Paul Revere's ride and the battles of Lexington and Concord. Sail across the Delaware River with George Washington to meet the British in Trenton. Discover how something as simple as tea led to the Declaration of Independence. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included.

THE AMERICAN REVOLUTION HAS BEGUN—AND RUSH REVERE, LIBERTY THE HORSE, AND THE TIME-TRAVELING CREW ARE READY TO RIDE INTO THE ACTION! Join us on this incredible time-travel adventure! Liberty, my wisecracking horse, our old friends Cam, Tommy, Freedom, and I are off to meet some super-brave soldiers in the year 1775. Yep, that ' s right. We ' ll be visiting with the underdog heroes who fought for American independence, against all odds—and won! But not before eight very real years of danger and uncertainty. Be a part of Rush Revere ' s crew as we rush, rush, rush into a time when British rule had become a royal pain, and rebellion was in the air. We ' ll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple with danger at the battles of Lexington, Concord, and Bunker Hill. The extra special part of this trip is that right here in the twenty-first century, Cam ' s dad is a soldier fighting in Afghanistan, and Cam has been pretty angry that he is away. Visiting with exceptional American heroes like Dr. Joseph Warren and George Washington, racing along after Paul Revere on his midnight ride, and seeing the Declaration of Independence signed make Cam see his own dad in a new and special way. But don ' t worry. Along with the danger, excitement, and patriotism, there will still be time to stop for a delicious spinach, oats, and alfalfa smoothie. No, wait—that one ' s for Liberty. The kids and I voted for strawberries. Now let ' s open the magic portal to the past!

Winner of the Barbara and David Zalaznick Book Prize in American History Winner of the Excellence in American History Book Award Winner of the Frances Tavernier Museum Book Award From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution Rick Atkinson, author of the Pulitzer Prize-winning *An Army at Dawn* and two other superb books about World War II, has long been admired for his deeply researched, stunningly vivid narrative histories. Now he turns his attention to a new war, and in the initial volume of the *Revolution Trilogy* he recounts the first twenty-one months of America ' s violent war for independence. From the battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777, American militiamen and then the ragged Continental Army take on the world ' s most formidable fighting force. It is a gripping saga alive with astonishing characters: Henry Knox, the former bookseller with an uncanny understanding of artillery; Nathanael Greene, the blue-eyed bumpkin who becomes a brilliant battle captain; Benjamin Franklin, the self-made man who proves to be the wildest of diplomats; George Washington, the commander in chief who learns the difficult art of leadership when the war seems all but lost. The story is also told from the British perspective, making the mortal conflict between the redcoats and the rebels all the more compelling. Full of riveting details and untold stories, *The British Are Coming* is a tale of heroes and knaves, of sacrifice and blunder, of redemption and profound suffering. Rick Atkinson has given stirring new life to the first act of our country ' s creation drama.

Educational resource for teachers, parents and kids!

Telling the story of a struggle for independence. Learn about powerful leaders, daring soldiers, bloody battles and weapons of the American Revolution.

Gain insight into the events that gave America its independence to become a new nation. From 1775 to 1783, our resource highlights the details behind a war between the thirteen colonies and Britain.
