Have you ever driven several miles without noticing anything on the road, or read a page in a book without registering any of it? Do the day's worries and disappointments crowd your mind as you're trying to fall asleep at night? Do you feel stressed much of the time and aren't sure how to find peace? In this book, Amit Sood, M.D., M.Sc., a Mayo Clinic specialist in stress and resiliency, reveals how the mind's instinctive restlessness and shortsightedness generate stress and anxiety and presents strategies for living a more peaceful life. The book is based on the highly popular stress management program offered at Mayo Clinic that Dr. Sood developed after two decades of work with tens of thousands of people. Drawing on groundbreaking brain research, Dr. Sood helps you understand the brain's two modes and how an imbalance between them produces unwanted stress. From this basis, you learn skills that will help you: Develop deep and sustained attention Practice gratitude, compassion and acceptance Live a meaningful life Cultivate nurturing relationships Achieve your highest potential All of these concepts are weaved into a practical and fun journey that has been tested in numerous scientific studies, with consistently positive results. Take the first step to discover greater peace and joy for you and your loved ones. "Dr. Sood has put together a simple, secular and structured program that is anchored in science, is free of rituals and dogmas, and is accessible to everyone. This book can change your life."--Dr. Andrew Weil "An important innovative approach to well-being, one we all should know about."--Dr. Daniel Goleman

A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndefeated.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndefeated.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

"Wonderfully, in Akashic's Oakland Noir, the stereotypes about the city suffer the fate of your average noir character—they die brutally." —San Francisco Chronicle In the wake of San Francisco Noir, Los Angeles Noir, and Orange County Noir—all popular volumes in the Akashic Noir Series—comes the latest California installment, Oakland Noir. Masterfully curated by Jerry Thompson and Eddie Muller (the "Czar of Noir"), this volume will shock, titillate, provoke, and entertain. The diverse cast of talented contributors will not disappoint. Oakland Noir offers stories by Nick Petrukakis, Kim Addonizio, Keenan Norris, Keri Miki-Lani Schroeder, Katie Gilmartin, Dorothy Lazard, Harry Louis Williams II, Carolyn Alexander, Phil Canalin, Judy Juanita, Jamie DeWolf, Nayomi Munaweera, Mahmud Rahman, Tom McElravey, Joe Loya, and Eddie Muller. "From the Oakland hills to the heart of downtown, each story brings Oakland to life." —San Jose Mercury News "Oakland is a natural for the series, with its shadowy crimes and disgruntled cops." —Zoom Street Magazine "San Francisco's grittier next-door neighbor gets her day in the sun in 16 new stories in this tightly curated entry in Akashic's Noir series. The hardscrabble streets of Oakland offer crime aplenty. . . . Thompson and Muller have taken such pains to choose stories highlighting Oakland's diversity and history that the result is a volume rich in local culture as well as crime." —Kirkus Reviews

From the foreword: "One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York City. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.

During the Nazi invasion of Czechoslovakia, musicians Shimon and Leah Feldstein flee to the Holy Land, only to find that the Muslim Grand Mufti of Jerusalem has joined forces with Hitler to eradicate the Jews from the Earth.

Bewitched meets Murder She Wrote in this delightful new cozy mystery series featuring Ophelia Jensen, small town librarian and reluctant psychic, and her grandmother Abby, a benevolent witch. Thirty something Ophelia Jensen wants to live a quiet life as a small town librarian. She's created a comfortable existence with her kooky, colorful grandmother Abby, and if it were up to her, they could live out their days—along with Ophelia's dog Lady and cat Queenie—in peace and quiet. But, to Ophelia's dismay, she and Abby aren't a typical grandmother/granddaughter duo. She possesses psychic powers, and Abby is a kindly witch. And while Ophelia would do anything to dismiss her gift—harboring terrible guilt after her best friend was killed and she was unable to stop it—threatening events keep popping up, forcing her to tap into her powers of intuition. To make matters worse, a strange—yet devastatingly attractive—man is hanging around Ophelia's library, and no matter how many times she tells him she's sworn off men forever, he persists. Soon this handsome newcomer reveals he's following a lead on a local drug ring, and then a dead body shows up right in Abby's backyard. And much as Ophelia would like to put away her spells forever, she and Abby must use their special powers to keep themselves, and others, out of harm's way.

Rueben Jackson, an ex-pimp and con artist, once known as the most dangerous man in the city, would stop at nothing to get what he wanted, and what he wanted most was money and power. After years of leading a notorious life, Rueben decided to give up the game for a more luxurious lifestyle. But when he met the elegantly beautiful Madeline Douglas, his life would never be the same again. Not only was Madeline beautiful and very rich, but she was also the wife of the city's highest and most powerful elected official, Mayor David K. Douglas. Although Madeline was aware of the power that she possessed being the city's first lady, she was satisfied at being a housewife and hostess and living in the shadows of her famous husband. But after meeting the handsome businessman Rueben Jackson on one of her frequent outings, she became infatuated and lost touch with everything—including her own life. But Madeline's problems did not stop there. She also became pregnant with the son that David had always wanted. But the question that kept haunting her: Was the baby David's?
