Dozens of specially-prepared forms are provided in this valuable small business reference. These forms will allow business owners to prepare financial statements and assemble financial information for tax preparation. Revised to contain the latest business tax forms and information.

Learn How to Get Over Bookkeeping and Accounting with the Ultimate Guide to Mastering the QuickBooks Software Crunching the numbers... Doing the books... Love them or hate them, they're essential to any business if you want to avoid problems with the law and want to know how money moves in your business setup. Many people aren't fond of doing bookkeeping and accounting, with good reason. It's boring as hell for those who aren't inclined toward math. But it doesn't have to be that way. If you're tired of not knowing what to do when it's time to wrangle those numbers, if you're sick of accounting putting in a funk, then this guide is for you. In this guide, you're going to learn everything you need to know about using QuickBooks to streamline your finances and make accounting and bookkeeping a breeze. Leaving you with more time to focus on the things that really matter for your business. Here's what you're going to discover in this guide: • A straightforward intro to QuickBooks and how your business can benefit from using this software • Setting up QuickBooks for businesses, both new and old • How to set up vendors for paying your bills • Setting up employees for payroll • Entering your payroll taxes • Linking your bank accounts to QuickBooks • Creating invoices, credit memos, customer payments and more • Setting up inventory • ...and tons more! Whether you're a business owner, manager, accounting student or entrepreneur, this highly comprehensive and practical guide has everything you need to know about using QuickBooks to streamline your business and make you more useful and efficient in the competitive world of business.

The first part of this book is intended for people who want to know something about the fundamentals of bookkeeping without necessarily becoming a certified bookkeeper.

Annotation Attention, small business owners! Stop tax-day stress. Stop procrastinating with a shoebox full of receipts. Stop reinventing the wheel with a spreadsheet. Stop making decisions simply on a hunch. Stop wasting money on software that is overkill. Start by downloading GnuCash and getting your accounts in order. Designed to be easy to use, yet powerful and flexible, GnuCash allows you to track bank accounts, income, and expenses. As quick and intuitive to use as a checkbook register, it is based on professional accounting principles to ensure balanced books and accurate reports. You can do it and GnuCash 2.4 Small Business Accounting Beginner's Guide will help you get up and running with maintaining your accounts. GnuCash 2.4 Small Business Accounting Beginner's Guide speaks business language, not accountant-speak, because it is written by a former small business owner. It guides you to use GnuCash from scratch with step-by-step tutorials without jargon, pointing out the gotchas to avoid with lots of tips. It will teach you to work on routine business transactions while migrating transaction data from other applications gradually. You will be able to keep on top of transactions and run reports after reading just three chapters! Beyond Chapter 3, it is up to you how far you want to go. Reconcile with your bank and credit card statements. Charge and pay sales tax. Do invoicing. Track payments due. Set up reminders for bills. Avoid stress at tax time. Print checks. Capture expenses using your mobile phone. GnuCash 2.4 Small Business Accounting Beginner's Guide gives you the power. Know your numbers. Make decisions with confidence. Drive your business to its full potential. Get your accounts in order and avoid tax-day stress with this hands-on guide to GnuCash, the best free accounts software in the world.

[Accounting Ledger](#) This 8.5 x 11 in simple accounting ledger notebook contains 120 pages. Perfect for tracking income and expenses and maintaining accurate business records. Size: 8.5 x 11 in. 120 Pages Premium matte finish soft cover Printed on white paper

This book describes a practical and easy to implement bookkeeping system, that anyone will be able to use without previous knowledge of finance, accounting or book-keeping. It provides a proven methodology that will enable you to: • Create a simple book-keeping system that anyone can manage • Create an easy to use system that controls the paperwork • Calculate VAT liability or VAT refund figures • Produce key financial figures concerning your business • Exercise proper financial control over your business • Reduce year-end accounting fees • Reduce the stress from dealing with book-keeping and paperwork If you can create a shopping list, then you can create a list of financial transactions and do your own book-keeping. It really is that simple!
