Every Move You Make. . . Surveillance expert Seth Mackey knows everything about the women that his millionaire boss toys with--and tosses aside. Raine Cameron is something different. Night after night, Seth watches her on a dozen different video screens. Her vulnerable beauty haunts him and her fresh innocence stirs a white-hot passion that he can barely control. Raine is pure temptation, but Seth has something more important to take care of first. He's convinced that his boss, Victor Lazar, is responsible for his half-brother's murder. He cannot put his secret investigation at risk, but he can't stop wanting her--craving her--and soon he knows he can't let Victor have her. For Raine may be Victor's next victim. . . Every Breath You Take Raine knows she's being watched--but no one can see the secrets in her heart. She has reasons of her own to seek revenge on Victor Lazar, and she will, despite her fear--and the distracting presence of Seth Mackey. Though Raine has little experience with men, Seth's fiercely masculine good looks and animal sensuality stir her most erotic fantasies when she's along. . .and lead her to a bold plan. Offering her body to him, surrendering totally to his ruthless desire might well push her beyond all emotional limits--and beyond fear itself.

Broke and on the run, framed for a murder she didn't commit, Margot has no one to turn to but Davy McCloud. But the closer he comes, the more Margot discovers that holding back--or hiding--from this enigmatic, powerful man is impossible. In every way. . . Then passion flares with unexpected intensity. But Margot's past has finally caught up with her, and life is about to get more than complicated. It's turning deadly. . .
