A critically acclaimed modern translation of the Bible into English, based on the latest advances in biblical scholarship, features a concise two-column format for easier reading, a low price, and a reader-friendly design.

Dom Henry Wansbrough, OSB, translator of the New Jerusalem Bible, has produced a comprehensive revision of this much-loved biblical text, which recognizes the most up-to-date developments in biblical scholarship and written English linguistics, as well as the needs of the Church. The Revised New Jerusalem Bible is a truly 21st-century Bible. Since the launch of the Jerusalem Bible more than 50 years ago, one of the most important elements of the JB and the NJB has been their comprehensive study footnotes and book introductions. Inevitably, much of this outstanding scholarship needs to be updated. Dom Henry has written an entirely new set of notes and introductions, which provide context and explanation for all readers of the Bible and will place the RNJB at the forefront of contemporary Bible study.

A beautiful, fully updated edition of the popular and beloved New Jerusalem Bible, which has sold over half a million copies. The Revised New Jerusalem Bible presents anew the scholarship, character, and clarity of the 1966 Jerusalem Bible (the first modern English version) and the 1985 New Jerusalem Bible. It is a Bible that prioritizes: • a bold, rich language as suitable for reading out loud as for studying in silence, so that "the message might be fully proclaimed" (2 Timothy 4:17) • accurate translation of the original scriptures rather than the "dynamic equivalences" of some other modern versions • assurance that the message of the Bible is directed to men and women equally, despite the inbuilt bias of the English language This comprehensive Study Edition is the world's first presentation of the full Revised New Jerusalem Bible, complete with study notes, cross-references, and book introductions. It has been prepared and edited for a modern readership by Dom Henry Wansbrough, OSB, who was general editor of the New Jerusalem Bible. Other features include: • The book of Psalms is based on the text of the 2010 translation of The Revised Grail Psalms. • Ancient systems of measure and time have been replaced by modern, metric equivalents. • A table of the notes provides explanations of the key words, themes, and ideas in the Bible's major footnotes. • A chronological table, an index of persons, and eight pages of full-color maps provide historical context. For all who are discovering the mysteries contained in Scripture for the first time and for those coming to this holy book for regular inspiration, only a clear, understandable Bible translation will do. The Revised New Jerusalem Bible is the one Christians the world over can trust.

Translations of the Old and New Testaments are accompanied by detailed historical and theological notes

** £9.99 introductory price for the first 3 months (£12.99 thereafter) **A Bible for study and proclamation.The Revised New Jerusalem Bible presents anew the scholarship, character and clarity of the 1966 Jerusalem Bible (the first modern English version) and the 1985 New Jerusalem Bible. It is a Bible that prioritises accuracy of translation and richness of tone, written that 'the message might be fully proclaimed' (2 Ti 4:17).This volume presents the full New Testament and the Psalms, and a comprehensive set of study notes, cross-references and book introductions.'Clear read' style. The biblical scriptures were written to be proclaimed, so the RNJB uses linguistic style and speech patterns best suited for being read out loud.Formal equivalence. The language, concepts and imagery of the original scriptures are presented more accurately by the RNJB than the colloquial approach of many other modern translations.Gender inclusion. The message of the Bible is for all people, so care has been taken to avoid traditional male bias of the English language, while remaining faithful to the meaning of the original scriptures.Revised Grail Psalter. The book of Psalms is based on the text of the 2010 translation of The Revised Grail Psalms.Modern measurements. Ancient systems of measuring and timing have been replaced by modern, metric equivalents.Comprehensive study notes. The notes, cross-references and book introductions of the JB and NJB are replaced in the RNJB by new materials which reflect the fruit of the most up-to-date and ecumenical scholarship.The Revised New Jerusalem Bible has been prepared and edited by The Revd Henry Wansbrough OSB, who was previously General Editor of the New Jerusalem Bible.

The very first full-text Readers editions of the Revised New Jerusalem Bible (RNJB) - a Bible for study and proclamation.The text of the Revised New Jerusalem Bible and the accompanying footnotes have been granted the Nihil Obstat and Imprimatur of the Catholic Bishops' Conference of England and Wales, declaring that they are considered to be free from doctrinal or moral error.This exciting new text presents anew the scholarship, character and clarity of the 1966 Jerusalem Bible (the first modern English version) and the 1985 New Jerusalem Bible. The RNJB prioritises accuracy of translation and richness of tone, capturing the rigour and poetry of the original JB for new generations.This volume contains the entire biblical text with introductions by Revd Henry Wansbrough OSB to every book.Other features include -> A clear, easy-to-read typeface and original setting. • Prose-dominant books are set in two-column format; poetry-dominant books are set in single format. • Formal equivalence. Accurate translation of the language, concepts and imagery of the original scriptures. • "Clear read" style. Uses linguistic style and speech patterns best suited for being read out loud. • Gender inclusion. Remains faithful to the meaning of the original scriptures while avoiding traditional male bias of the English language.
