What will you get for your birthday this year? A chance to see into the future? Or a reminder of the imperfect past? In this enviable gathering, Haruki Murakami has chosen for his party some of the very best short story writers of recent years, each with their own birthday experiences, each story a snapshot of life on a single day. Including stories by Russell Banks, Ethan Canin, Raymond Carver, David Foster Wallace, Denis Johnson, Claire Keegan, Andrea Lee, Daniel Lyons, Lewis Robinson, Lynda Sexson, Paul Theroux, William Trevor and Haruki Murakami, this anthology captures a range of emotions evoked by advancing age and the passing of time, from events fondly recalled to the impact of appalling tragedy. Previously published in a Japanese translation by

Haruki Murakami, this English edition contains a specially written introduction.

The Little Princess wants to have two birthdays, just like the Queen, which means twice as many presents every year! When she realises how much fun two birthdays are, she decides she wants three, then four. But the more birthdays she has, the less special they are. Perhaps having one birthday a year isn't so boring after all...

"This unique collection of short stories celebrates the creative power of imagination. At Hurwitz's invitation 10 well-known children's authors have written pieces based on a single premise: a young person finds an empty box among his or her birthday gifts. The enormously varied responses range in tone from amusing to heartwarmingly sad; all provide food for thought....An excellent surprise package."--School Library Journal.

Celebrate a very hatchy birthday with this sticker story based on the coolest collectible toys, Hatchimals! In this interactive story, Hatchimals fans can join in the birthday fun by decorating each page with the adorable stickers provided at the back of the book. Young readers will enjoy following the festivities as Hatchimals of all kinds help prepare for the party and sing "Hatchy Birthday to You!"

something you will never forget. Edited by Megan McCafferty, author of the runaway hit novels *Sloppy Firsts* and *Second Helpings*, *Sixteen: Stories About That Sweet and Bitter Birthday* is a compilation of short stories inspired by all the angst, melodrama, and wonderment of being sixteen. Sarah Dessen's "Infinity" is about a girl confronting two major milestones: getting her driver's license and losing her virginity. The Dead Girls in Jacqueline Woodson's "Nebraska 99" have already decided to "do it" and must now cope with being teenage mothers. And Carolyn Mackler's "Mona Lisa, Jesus, Chad, and Me" explores whether friendship can survive when partying and prayer clash. Also included is a new Jessica Darling story by Megan McCafferty about the last fifteen minutes Jessica spends—or rather, doesn't spend—with her best friend, Hope, who is leaving Pineville. Featuring stories by Steve Almond, M. T. Anderson, Julianna Baggott, Cat Bauer, Emma Forrest, Tanuja Desai Hidier, David Levithan, Sonya Sones, Zoe Trope, Ned Vizzini, and Joseph Weisberg, these hilarious, poignant, and touching tales are perfect for both those who have yet to reach that milestone and those who want to reminisce about their "sweetest" year.

The recipient of numerous literary prizes, including the National Book Award, the Kafka Award, five Hugo Awards and five Nebula Awards, the renowned writer Ursula K. Le Guin has, in each story and novel, created a provocative, ever-evolving universe filled with diverse worlds and rich characters reminiscent of our earthly selves. Now, in *The Birthday of the World*, this gifted artist returns to these worlds in eight brilliant short works, including a never-before-published novella, each of which probes the essence of humanity.

intense emotional fodder, but rarely have we seen a story like *Birthday*...true and raw, haunting and undeniable.” —The New York Times Book Review Two best friends. A shared birthday. Six years... ERIC: There was the day we were born. There was the minute Morgan and I decided we were best friends for life. The years where we stuck by each other's side—as Morgan's mom died, as he moved across town, as I joined the football team, as my parents started fighting. But sometimes I worry that Morgan and I won't be best friends forever. That there'll be a day, a minute, a second, where it all falls apart and there's no turning back the clock. MORGAN: I know that every birthday should feel like a new beginning, but I'm trapped in this mixed-up body, in this wrong life, in Nowheresville, Tennessee, on repeat. With a dad who cares about his football team more than me, a mom I miss more than anything, and a best friend who can never know my biggest secret. Maybe one day I'll be ready to become the person I am inside. To become her. To tell the world. To tell Eric. But when? Six years of birthdays reveal Eric and Morgan's destiny as they come together, drift apart, fall in love, and discover who they're meant to be—and if they're meant to be together. From the award-winning author of *If I Was Your Girl*, Meredith Russo, comes a heart-wrenching and universal story of identity, first love, and fate. “Beautifully written, *Birthday* is an altogether singular contribution to the gradually growing body of transgender literature and, indeed, to mainstream literature, as well.” —ALA Booklist, starred review
