2009 Retailer's Choice Award winner!For Jon and Erin Bennett, the world seems to be spinning dangerously out of control. Newly mated werewolves, Anna and Charles, attend a summit discussing whether or not the wolves should make themselves known to humans, when she is attacked by vampires, in the second novel in the series following Cry Wolf. 25,000 first printing.

Audrey Whitcomb saved her entire city. Well, kind of. The superhero Morning Star (who just happens to be Audrey's mom) might have played a small part, and her sidekick, Leon—Audrey's sort-of boyfriend, who is gorgeous...and frustrating—maybe helped, too. But after two peaceful months, there is a vicious new threat in Minneapolis. Her name is Susannah, and she's a Harrower, a demon hell-bent on destroying people like Morning Star, Leon, and Audrey—the Kin. Like others before her, she seeks the Remnant, a Kin girl who has the power to unleash the inhabitants of the Beneath. But to what end? Audrey already has a ton on her plate: dealing with her best friend Tink's boy drama, helping her other best friend Gideon figure out his nightmares, and exploring the highs and lows of "dating" Leon. But when she develops a powerful new ability, Audrey seizes on the chance to fight, despite her mother's protests and Leon's pleas. As Audrey gets closer to figuring out Susannah's motives and tracking down the Remnant, she'll uncover more than she bargained for. The terrible truth is staring Audrey in the face. But knowing the truth and accepting it are very different things.

After years at the bottom of the pack, Anna has learned never to trust dominant males, until Charles Cornick, the enforcer and leader of the North American werewolves, declares her his mate, revealing her destiny as an Omega wolf.

Includes bonus material and a never-before-published version of issue #1! Patricia Briggs, the #1 New York Times bestselling author of the Mercy Thompson novels, "always enchants her readers" (Lynn Viehl). Now her Alpha and Omega series—set in a world of shifting shapes, loyalties, and passions—comes vividly to life in this collection of four comic books based on Cry Wolf, the first book in the series. Anna never knew werewolves existed, until the night she survived a violent attack...and became one herself. After three years at the bottom of the pack, she's learned to keep her head down and never, ever trust dominant males. Then Charles Cornick, the enforcer—and son—of the leader of the North American werewolves, came into her life. Charles insists that not only is Anna his mate, but she is also a rare and valued Omega wolf. And it is Anna's inner strength and calming presence that will prove invaluable as she and Charles go on the hunt in search of a rogue werewolf—a creature bound in magic so dark that it could threaten all the pack...

Charles Cornick, the leader of the North American werewolves, is sent to Boston with Anna Latham to assist the FBI in tracking down a serial killer who is targeting their kind.

A companion novella to Cry Wolf—from the #1 New York Times bestselling author of the Mercy Thompson novels. Reluctant werewolf Anna Latham finds a new sense of self when the son of the werewolf king comes to town to quell unrest in the Chicago pack—and inspires a power in Anna she's never felt before...
