The third book in the Knights of the Boardroom trilogy picks up a few weeks after Olivia Daniels stows away on the Templar Enterprises Group's jet hoping to escape the country before hell rains down around her. But that successful getaway comes at a price, including both new and old enemies, an older brother so overly protective he may be causing more harm than good, and two Doms who are convinced she's their future. When Olivia Daniels discovers files on her computer implicating her in a plot to sell nuclear secrets she knows she's being framed for treason...she just didn't know who would want to destroy her reputation or why. And now that she's healed (okay, almost healed if you want to split hairs) from a gunshot wound she received protecting her future sister-in-law, Olivia is ready to track down whoever is trying to ruin her. Security specialists Sawyer Hughes and James Mikels are trying to keep Olivia safe, but the brilliant beauty

isn't making their job any easier. Both men want her and they've known for years they'd eventually find a woman they wanted to spend the rest of their lives with, but they are determined Olivia needs to be fully recovered and SAFE before they make their move.

Discovering the petite bundle of trouble is interested in their lifestyle tests the two sexual Dominant's patience to the limit. Can they keep her safe long enough to convince her she is everything they've dreamed of? And can Olivia accept the fact she is worthy of everything they're offering or will old demons undermine what could have been?

Waking up in the trunk of a moving car isn't how Abby Garret had planned to spend her evening. When she discovers the tracking devices she was wearing are missing, she fights off her panic and manages to escape. But Abby's recent discoveries are set to turn the world's energy industry on its ear, and it appears not everyone is as interested in renewable energy as they claim. After rescuing the woman they have been waiting years to claim, Doms Kalen Black and Logan Douglas find out that claiming and managing are not necessarily the same thing. Nothing with Abby is ever easy, and keeping her safe is no exception, and it is going to take everything Kalen and Logan have to keep Abby out of harm's way and win her heart at the same time.

Phrenology was the most popular mental science of the Victorian age. From American senators to Indian social reformers, this new mental science found supporters around the globe. *Materials of the Mind* tells the story of how phrenology changed the world—and how the world changed phrenology. This is a story of skulls from the Arctic, plaster casts from Haiti, books from Bengal, and letters from the Pacific. Drawing on far-flung museum and archival collections, and addressing sources in six different languages, *Materials of the Mind* is an impressively innovative account of science in the nineteenth century as part of global history. It shows how the circulation of material culture underpinned the emergence of a new materialist philosophy of the mind, while also demonstrating how a global approach to history can help us reassess issues such as race, technology, and politics today.

This work contains interviews with performance artists who talk about how certain childhood experiences have influenced and resurfaced in their work as an adult. The discussions focus on the relationship between art and life.

In this passionate, emotional Regency romance by Christi Caldwell, society's most wicked rake meets his match in the clever Lady Chloe Edgerton! And nothing will ever be the same! She doesn't believe in marriage... The cruelty

of men is something Lady Chloe Edgerton understands. Even in her quest to better her life and forget the past, men always seem determined to control her. Overhearing the latest plan to wed her to a proper gentleman, Chloe finally has enough...but one misstep lands her in the arms of the most notorious rake in London. The Marquess of Tennyson doesn't believe in love... Leopold Dunlop is a ruthless, coldhearted rake... a reputation he has cultivated. As a member of The Brethren, a secret spy network, he's committed his life to serving the Crown, but his rakish reputation threatens to overshadow that service. When he's caught in a compromising position with Chloe, it could be the last nail in the coffin of his career unless he's willing to enter into a marriage of convenience. A necessary arrangement... A loveless match from the start, it soon becomes something more. As Chloe and Leo endeavor to continue with the plans for their lives prior to their marriage, Leo finds himself not so immune to his wife - or to the prospect of losing her.

"Sit back and enjoy the ride, because you're going to laugh your butt off!" - Brenda, AL. After personal assistant Kiersten Abbott wins sixty-nine million dollars in the lotto, she suddenly has more than enough money to quit her impossibly demanding job. But where's the fun in that? She decides to stay and exact a little revenge on her insufferable ass of a boss. Billionaire Cole Harrington quickly figures out something's afoot with his usually agreeable personal assistant. When he finds out about the office pool betting on how long it'll take him to fire her, he decides to spice things up and see how far he can push her until she quits. The game is on, with everyone waiting to see who will crack first. But the bet sparks a new dynamic between them, and soon they realize they just might have crossed that fine line between hate and love. Each book in the Winning the

Billionaire series is a STANDALONE story:

Book 1: 69 Million Things I Hate About You

Book 2: The Billionaire's Unexpected Baby

Book 3: Scotland or Bust Book 4: Pushing His Luck

Waged for a just cause, World War II was America's good war. Yet for millions of GIs, the war did not end with the enemy's surrender. From letters, diaries, and memoirs, Susan Carruthers chronicles the intimate thoughts and feelings of ordinary servicemen and women whose difficult mission was to rebuild nations they had recently worked to destroy.

The life and times of Sunnie Wilson reflected on the changes in Detroit over the last sixty years.
