What this book Caverns, cauldrons and concealed creatures does is to fill in the missing link between space aliens and creatures of old. Mr. Mott believes that after the flood when the upper ozone layer broke down in thickness, the creatures that hid from the flood on the surface of the earth could no longer survive in sunlight as it would now kill them.

Caverns, Cauldrons and Concealed Creatures completes the genre's presentation by offering a cohesive definition of the cavern worlds of the Earth's shell and its cryptic inhabitants. This was lacking. Before the advent of Mike Mott's book, this type of information and understanding had to be pieced together.

Expanded THIRD Edition, with 4 NEW CHAPTERS, and dozens of new and additional images! Grave Distractions Publications is proud to announce the publication of the 3RD EDITION of the cult classic CAVERNS, CAULDRONS, AND CONCEALED CREATURES, is the first book of its kind to examine the striking similarities between folklore, religious, mythic, "new age," fictional, and first-hand eyewitness and historical accounts of anomalous beings, entities, cryptids, hidden civilizations, and related anomalies. Drawing from scientific facts, folklore, comparative mythology and eyewitness/anecdotal sources, it is demonstrable that the structure of our planet, the history of our species, the underlying truths disguised as our myths, legends, folklore and "pop culture" imagery, are not quite what we have been led to believe. The Earth itself is much more complex in structure than we have realized, and our species has perhaps experienced, through the ages, encounters and conflicts with "others"- non-human intelligences or beings of various types who have seldom been our friends. Memories and accounts of these encounters have come down to us in the form of folklore and mythology, often viewed with superstitious terror or awe through the conditioned lenses of religions, religious interpretation or "folk traditions." Such encounters are continuing today. The theories put forth in this book are based on two types of evidence: very strong circumstantial evidence based on folklore, mythology, religion, legends, archeology, geology, and related areas, and first-hand or witness accounts, both ancient and modern. Often these two areas of source material or even anecdotal evidence overlap. It is possible that these various phenomena and beings are in fact modern representations of those who have traditionally been considered fairies, gnomes, trolls, nagas, djinn, "aliens" and their "magic" is a technology of such antiquity, advancement and complexity that it is, to our limited understanding, "magical." With UFOlogy, cryptozoology, Fortean phenomena, and all the rest, we are in fact seeing, perhaps even participating in, an ongoing contemporary "update of "folklore," which is in actuality the way our human minds attempt to gather, categorize, assimilate, comprehend and decipher (as well as "cover up" with terror-masking simplifications) the very REAL evidence for the existence of such beings and their ongoing yet seemingly inexplicable activities. From ancient myths to modern experiences from credible witnesses, it is ALL folklore, and ancient folk traditions may contain much more truth than has previously been believed, just as "fortean" and related topics do today. Once we make the leap of understanding that the creation of folklore is part of the process of comprehending these mysteries, and even may be caused by them, the whole picture of our culture, literature, fairytales, Jungian archetypes, and so on takes on an entirely different light. The creation of folklore, based on very real "others" and their parasitical or otherwise peripheral activities, has become an instinctive, mind-protecting function for the collective human mind. Throughout our oral and written history as a species, folktales and folk traditions have either hinted at or indicated the reality of this "hidden world" which surrounds us. The furtive and parasitical nature of this "alternate reality" leaves no doubt as to the intrinsic hostility of these "others," or at best, the indifference that some of their "racial types" or subspecies exhibit toward humankind. This book has been previously published in a First Edition, an expanded Second Edition, and now is offered EXCLUSIVELY in a greatly-expanded, magnum opus 3rd Edition presentation by Grave Distractions Publications with introductions by Brad Steiger, Micha Hanks, Brian J Allen, and Dean de Lucia.

Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism. The book also takes the reader through the Bible showing a vast amount of scriptures that the churches ignore or will not deal with. Scriptures reveal that there is a fifth column that lives among us that are working against God's children in establishing a New World Order as an ultimate goal. They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule. But this will not take place until the Rapture of the church takes place first. The Bible is also very clear that a government of fallen angels now runs this earth. They run all aspects of our matrix reality and remain hidden behind a shadow government. There are strong indications in scripture that here is also royalty of non-humans called the Reptilians and Nephilim that rule over us. They are the ones that have come from hell to transform themselves into rulers of this world. The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay. This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine. This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare. It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators. Return of the Stargods is an introduction to the reality that lies outside the box. If you are a discerning Christian who regards scripture as the final authority and not church, then this book is a must read!
