This quarter I want to talk about some of the things that we in the Church Of God In Christ do and have done for many years. Sometimes we do things and never really know or understand why we do them. Some questions we can answer through God's Word and others through the thoughts of the early Saints. We must understand that some things were put in place and became a tradition because of someone's opinion. Everyone has opinions, but it doesn't mean that it's right or wrong, it's just an opinion. Sometimes it's a good opinion, but not workable for the good of all at any given time. So, as we study,

let's remember that God's Word does not have private interpretations. For the Word says, "Let every man be a liar, but God's Word is the truth" (Romans 3:4a).

Sunday School across America is on a decline. Biblical literacy is at an unprecedented low amongst believers, and it seems as if there is no end to where this could lead to in our churches. The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material. Enlisting help from scholars across the country, the department wrote the Interpretative Expository, an exposition for each lesson of the Sunday School curriculum. Also, to assist pastors, preachers, missionaries, and laity with sermon subjects and preparation, our team has included a sample sermon outline from one of the lessons. Reemphasize the message of Sunday School by preaching a message from the text of the lesson.

Lord, deliver us from distractions, especially the fatal ones! Woman of God, the devil wants to discourage you and keep you ineffective in all areas of your life. Learn why you are such a threat to him and how you can experience major breakthroughs. Using biblical characters and principles, evangelist Joyce Rodgers explains the importance of becoming a proactive, solution-seeking woman of the twenty-first century. You must develop a positive, confident attitude and sidestep the fatal distractions that lurk around the next corner. Lord, enable us to triumph over our adversary! You do not have to be distracted by the enemy for one more minute of one more day. You are a woman of destiny. The victory is yours; step into it!

The story of Noah is one of the most captivating in all the Bible. Yet most people remember it mainly as a children's story found in picture books and heard in Sunday school classes. But this tragedy really took place—and widely overlooked is Jesus' stunning prophecy that the final days of planet Earth would be just as it was in the days of Noah. His point? That there would be striking parallels between Noah's day and the end times—with warnings of God's imminent judgment upon the world. Is Jesus' prophecy now being fulfilled? And if yes, how then should we respond? *As It Was in the Days of Noah* explores the similarities between the two periods, such as the rapid rise in evil and increasingly flagrant disregard for God. A powerful resource that... examines the signs that we're nearing the end times affirms the urgency of reaching the lost with God's compassion and truth equips you to live wisely and "redeem the time" so it counts for eternity
