All models.

For most of its lifespan, the Honda Odyssey has been a favored pick among minivans. Although the vehicle had a rather humble debut, it quickly hit its stride once Honda came out with the second-generation model, which featured a spacious cabin and an innovative third-row seat that folds into the floor. Now in its fourth generation, the Odyssey is one of the top minivans currently available. The Honda Odyssey has made a strong showing, usually earning top honors in every minivan comparison test we've held. There are other minivans that rival the Odyssey's family-friendly features, but the Honda combines those attributes with confident driving dynamics and a long-standing record of reliability, making it an all-around family favorite.
