Do you want to purchase an apartment community but don't have prior real estate or apartment investing experience, don't have access to private capital, can't find a good deal, lack the skills to execute a business plan or a combination of the four? The Best Ever Apartment Syndication Book is the ONLY book that will solve these challenges.It provides a step-by-step system for completing your first apartment syndication deal and building a multimillion or multibillion dollar apartment investing empire. You will learn the exact process that I followed to go from making \$30,000 each year at a New York City advertising firm to controlling over \$400,000,000 in apartment communities, which includes: 1. Becoming an expert on the apartment syndication terminology 2. Setting a specific, quantifiable goal and creating a long-term, motivating vision 3. Building a powerful brand that attracts passive investors 4. Evaluating and selecting the real estate market that will be the launching point for your apartment empire 5. Surrounding yourself with an all-star real estate team 6. Tapping into your existing network to find passive investors 7. Creating a lead generation machine that pumps out qualified off-market apartment deals 8. Selecting the ideal business plan to maximize returns to passive investors 9. Learning the science behind evaluating, qualifying and submitting offers on apartment deals 10. Preparing and presenting an apartment offering to your passive investors and securing financial commitments 11. Impressing your investors by effectively implementing the business plan and exceeding their return expectations

This collection reveals the variety of literary forms and visual media through which travel records were conveyed in the long nineteenth century, bringing together a group of leading researchers from a range of disciplines to explore the relationship between travel writing, visual representation and formal innovation.

Investing in Apartment Buildings is a comprehensive guide to finding, analyzing, managing, improving and profiting from rental properties. Written by the author of the bestselling 2 Years to a Million in Real Estate, this book provides both novice and experienced investors with step-by-step guidance on reaping a steady cash flow by owning apartment buildings. Building a sizeable portfolio of income-producing rental properties requires a well-defined plan that must be nurtured over time. This book teaches you how to: Determine where to invest Evaluate the return on any property Conduct due diligence on prospective acquisition targets Construct deals Manage properties so they achieve their full economic potential prior to disposition Develop exit strategies Gain the confidence and knowledge you need to invest in larger deals Make money from owning multifamily properties Investing in Apartment Buildings shows how to avoid the pitfalls and gaffs commonly made in this industry while achieving your investment goals with this asset class.

Praise for Emerging Real Estate Markets "In this book, you'll discover how to snatch real estate opportunities at low prices, before their value becomes common knowledge. Buy all the copies on the bookshelf before your competitor does!" -Frank McKinney, "The Maverick Daredevil Real Estate Entrepreneur" and author of Frank McKinney's Maverick Approach to Real Estate Success "I've never seen another real estate book even come close to laying out a profit road map the way this one does. If your local economy is too hot or too cold, Lindahl's guide will show you how to invest in the up-and-coming markets with the greatest profit potential." --Stacy Kellams, President, www.RealEstateCourseReviews.com "Lindahl shows you how to look into the future and see where the next hot real estate markets will be. It's the closest thing I've found to a real estate crystal ball." --Jeff Adams, President, www.FreeRealEstateMentoring.com "The brilliant thing about this book is Lindahl's approach to investing by 'remote control.' He has a real-world system for living in one place and making money from investments in another." --William Bronchick, attorney and coauthor of Flipping Properties "In the crowded field of real estate gurus, Lindahl stands head-and-shoulders above the rest. This book is must reading for any serious investor--beginner or veteran." --Justin Ford, author of Seeds of Wealth and Main Street Millionaire

Dolf de Roos ' s Commercial Real Estate Investing reveals all the differences between residential and commercial investing and shows you how to make a bundle. De Roos explores the different sectors—retail, office space, industrial, hospitality, or specialist—to help you discover which is right for you. He shares key insights on finding tenants and avoiding vacancies, financing large investments, managing property, setting a tax-smart corporate structure, and take full advantage of tax breaks.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

"Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it ' s not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henriquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. The Book of Unknown Americans is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a New York Times and Washington Post Notable Book, an NPR Great Read, The Daily Beast's Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year

Four-time New York Times bestselling author Gary Vaynerchuk offers new lessons and inspiration drawn from the experiences of dozens of influencers and entrepreneurs who rejected the predictable corporate path in favor of pursuing their dreams by building thriving businesses and extraordinary personal brands. In his 2009 international bestseller Crush It, Gary insisted that a vibrant personal brand was crucial to entrepreneurial success. In Crushing It!, Gary explains why that ' s even more true today, offering his unique perspective on what has changed and what principles remain timeless. He also shares stories from other entrepreneurs who have grown wealthier—and not just financially—than they ever imagined possible by following Crush It principles. The secret to their success (and Gary ' s) has everything to do with their understanding of the social media platforms, and their willingness to do whatever it took to make these tools work to their utmost potential. That ' s what Crushing It! teaches readers to do. In this lively, practical, and inspiring book, Gary dissects every current major social media platform so that anyone, from a plumber to a professional ice skater, will know exactly how to amplify his or her personal brand on each. He offers both theoretical and tactical advice on how to become the biggest thing on old standbys like Twitter, Facebook, YouTube, Instagram, Pinterest, and Snapchat; podcast platforms like Spotify, Soundcloud, iHeartRadio, and iTunes; and other emerging platforms such as Musical.ly. For those with more experience, Crushing It! illuminates some little-known nuances and provides innovative tips and clever tweaks proven to enhance more common tried-and-true strategies. Crushing It! is a state-of-the-art guide to building your own path to professional and financial success, but it ' s not about getting rich. It ' s a blueprint to living life on your own terms.
