Course Description When you enroll in this course you will get unlimited access to comprehensive videos of past paper solutions for multiple choice Paper 1 for CSEC Biology (January and June). Please note: This course will be updated with new videos as soon as new past papers become available.

This book offers complete coverage of the CSEC Biology syllabus. Concise, well-organised text with annotated study diagrams. Emphasis on genetics, diseases and the environment. Specimen questions in the style of the examination. Guidance on planning revision and work presentation.

Support and enhance exam preparation with contextualised questions, revision tips and examiner advice, to promote efficient and organised study. - Annotations to guide candidate responses to the questions. - What the examiners say to highlight the challenges faced by previous candidates. - Frequently confused terms to increase awareness of the need to use the jargon appropriately. - Revision tips which promote devising and using strategies in a timely fashion to avoid being overwhelmed as the exam nears.

Newly revised in line with the latest syllabus and with a modernised, student-friendly design, including a truly interactive CD which provides additional practice for students and brings lab work to life with exciting activities and simulations.

Biology for CXC is a comprehensive course for students in their fourth and fifth years of secondary school who are preparing for the CXC Examinations in Biology. The book has seven main sections, each divided into smaller self contained units to allow a flexible approach to teaching and learning.
