Mark Frost, cocriador de Twin Peaks, volta à cultuada série neste livro que mistura ficção e realidade para desvendar os mistérios que rondam a pequena cidade americana. Lançada em 1990, a cultuada série Twin Peaks, de David Lynch e Mark Frost, tem milhares de fãs pelo mundo. Após o anúncio da terceira temporada, retomada 25 anos depois do assassinato de Laura Palmer, Mark Frost lança A história secreta de Twin Peaks, livro imperdível para fãs e curiosos. A obra, escrita numa narrativa inventiva e nada convencional, apresenta um dossiê compilado por um Arquivista desconhecido e enviado pelo FBI para a agente TP, com o intuito de descobrir a identidade por trás da montagem dessa documentação. Com recortes de jornal, trechos de diários, informações secretas e arquivos do FBI, o livro conta com informações valiosas para que o leitor possa ir fundo e saber mais do que ninguém sobre episódios e personagens da série. E, quem sabe, desvendar tudo o que está por trás dos misteriosos acontecimentos nessa icônica cidade do noroeste americano.

The crucial sequel to the New York Times bestselling *The Secret History of Twin Peaks*, this novel bridges the two series, and takes you deeper into the mysteries raised by the new series. The return of Twin Peaks is one of the most anticipated events in the history of television. The subject of endless speculation, shrouded in mystery, fans will come flocking to see Mark Frost and David Lynch ' s inimitable vision once again grace the screen. Featuring all the characters we know and love from the first series, as well as a list of high-powered actors in new roles, the show will be endlessly debated, discussed, and dissected. While *The Secret History of Twin Peaks* served to expand the mysteries of the town and place the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, *Twin Peaks: The Final Dossier* tells us what happened to key characters in the twenty-five years in between the events of the first series and the second, offering details and insights fans will be clamoring for. The novel also adds context and commentary to the strange and cosmic happenings of the new series. For fans around the world begging for more, Mark Frost ' s final take laid out in this novel will be required reading.

Podcast hosts Ben Durant and Bryon Kozaczka have covered Twin Peaks on their Podcast for over 200 episodes. They have interviewed just about every cast member, fan and covered every theory about David Lynch and Mark Frost's television masterpiece. Now for the first time, they bring all that coverage to a book.

Examines David Lynch and Mark Frost's legendary television series that aired on the ABC network from 1990-91. As the mystery of "Who Killed Laura Palmer?" played out on television sets across the world, another compelling drama was unfolding in the everyday lives of the show's cast and crew. Twenty-five years later, *Reflections* goes behind the curtain of Twin Peaks and documents the series' unlikely beginnings, widespread success, and peculiar collapse. Featuring first-hand accounts from series co-creator Mark Frost and cast members including Kyle MacLachlan, Madchen Amick, Richard Beymer, Joan Chen, Sherilyn Fenn, Miguel Ferrer, Piper Laurie, Sheryl Lee, Michael Ontkean, Ray Wise, Billy Zane, and many more. *Reflections* explores the magic and mystique of a true television phenomenon.

From the co-creator of the landmark series, the story millions of fans have been waiting to get their hands on for 25 long years. *The Secret History of Twin Peaks* enlarges the world of the original series, placing the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, beginning with the journals of Lewis and Clark and ending with the shocking events that closed the finale. The perfect way to get in the mood for the upcoming Showtime series.

"Ci rivedremo tra 25 anni". Con questa promessa, nell'estate del 1991, Laura Palmer dava appuntamento all'agente Dale Cooper in un lontano futuro. Era l'ultima puntata della seconda stagione di Twin Peaks, ed è stato necessario aspettare davvero 25 anni o giù di lì, prima che la terza stagione fosse finalmente annunciata. Ma quanti ricordano ancora che cosa era successo nelle prime due stagioni? Quale occasione migliore di questa per rispolverare le vicende di Twin Peaks? Questo libro nasce per fornire una guida pratica al cinema di Lynch, che aiuti a districarsi tra nani, giganti, logge ultraterrene, mostri deformi, sogni, perversioni, tradimenti, misteriosi cowboy, conigli antropomorfi, sedute spiritiche e zingari polacchi. Ma anche dall'idea che, più che realizzare tanti film, nell'arco della sua produzione David Lynch abbia composto un'unica grande opera. Per capire il regista bisogna entrare nel suo mondo. Qui si cerca di spiegare perché e di fornire un riferimento per orientarsi.

A obra, que impactou diversas gerações de leitores, marca a volta do seriado Twin Peaks, de David Lynch Jennifer Lynch conseguiu dar vida à garota morta mais famosa da história da televisão. -- VICE Eternizada no seriado Twin Peaks, que revolucionou a teledramaturgia mundial, a história da adolescente Laura Palmer e de sua cidade natal arrebatou milhões de espectadores nos anos 1990 através do olhar do diretor David Lynch. A pergunta Quem matou Laura Palmer? se tornou uma verdadeira obsessão para os fãs, que no início da década deram início a um verdadeiro culto à bela garota com um futuro aparentemente promissor que aparece morta às margens de um rio. A chave para desvendar o mistério veio pelas mãos de Jennifer Lynch, filha do diretor e co-autora da série, que, trazendo à tona a identidade de Laura, revela um lado obscuro da jovem e da sinistra cidade onde viveu e morreu. Lançado originalmente pela Globo Livros em 1991, O diário secreto de Laura Palmer ultrapassou as telas e se tornou um ícone entre os adolescentes dos anos 1990, ainda sendo objeto de culto entre os jovens deste início de milênio. Até hoje, poucos autores tiveram a ousadia de Jennifer Lynch, que sem dogmatismos e meias-verdades fala sobre adolescência, sexo, drogas e morte. Laura Palmer, a bela rainha do baile de formatura, a menina com as melhores notas, gentil, encantadora, filha de pais amorosos e o retrato perfeito da juventude de ouro americana. Quem teria algum motivo para assassinar Laura a sangue frio? A resposta para essa pergunta não estava no diário róseo encontrado pela polícia no quarto da jovem, mas sim em um volume escondido, onde Laura expõe sua verdadeira face. Drogas, orgias, prostituição, abuso, medo. Um retrato de uma adolescente perdida, que, ao tentar romper com os padrões impostos pela rígida sociedade interiorana onde foi criada, trilhou um

caminho sem volta de perdição e desespero. A cada entrada do diário, que se inicia em seu aniversário de doze anos e segue até o dia de sua morte, quatro anos depois, Laura revela detalhes não apenas sobre seu flerte com a depressão como também a realidade sórdida ocultada pelas brumas de Twin Peaks, cidade madeireira do interior dos Estados Unidos, onde, assim como a própria Laura, ninguém – e nada – é exatamente o que parece ser. Em 2017 vai ao ar a tão esperada terceira temporada de Twin Peaks, 25 anos após seu último episódio, e O diário secreto de Laura Palmer continua a ser um convite inebriante para velhos e novos fãs da série, que irão mais uma vez ser seduzidos pelo encanto e a angústia da protagonista.
