Review: Dancer's Lament (Path to Ascendancy Book 1) by Ian C. Esslemont. Shorter Review: A great fantasy novel that is quintessentially 'Malazan' but in a streamlined, more story-centred form. The three main POVs give a tight focus to the first step of Shadowthrone and Cotillion's legendary journey.

deeper into the politics and intrigue of the New York Times bestselling Malazan Empire. Dancer's Lament focuses on the genesis of the empire, and features Dancer, the skilled assassin, who, alongside the mage Kellanved, would found the Malazan empire.

It was once a land ravaged by war, minor city states, baronies and principates fight for supremacy, and then the rival cities of Tali and Quon formed an alliance and so Quon Tali came into being. However that was generations ago, that dynasty has collapsed and the regional powers are now clawing at each others throats once more. But at the heart of Quon Tali lies the powerful city state of Li Heng which has for centuries enjoyed relative stability under the guidance of the powerful sorceress known as the "Protectress". She is not someone likely to tolerate the arrival of two particular young men into her domain: one is determined to prove he is the most skilled assassin of his age; the other is his quarry - a Dal Hon mage who is proving annoyingly difficult to kill. The sorceress and her cabal of five mage servants were enough to repel the Quon Tali Iron Legions, so how could two such trouble-makers upset her iron-fisted rule? And now, under a new and ambitious king, the forces of Itko Kan are marching on Li Heng from the south. His own assassins, the Nightblades, have been sent ahead into the city, and rumours abound that he has inhuman, nightmarish forces at his command. So as shadows and mistrust swirl and monstrous beasts that people say appear from nowhere, run rampage through Li Heng's streets, it seems chaos is come - but in chaos, as a certain young Dal Hon mage would say, there is opportunity .

Drawing on events touched on in the prologue of Steven Erikson's landmark fantasy *Gardens of the Moon: A Malazan Book of the Fallen*, *Night of Knives* is the first in Ian C. Esslemont's *Novels of the Malazan Empire* series--a momentous chapter in the unfolding story of the extraordinarily imagined world of Malaz. The small island of Malaz and its city gave the great empire its name, but now it is little more than a sleepy, backwater port. Tonight, however, things are different. Tonight the city is on edge, a hive of hurried, sometimes violent activity; its citizens bustle about, barring doors, shuttering windows, avoiding any stranger's stare. Because tonight there is to be a convergence, the once-in-a-generation appearance of a Shadow Moon--an occasion that threatens the good people of Malaz with demon hounds and other, darker things... It was also prophesied that this night would witness the return of Emperor Kellanved, and there are those prepared to do anything to prevent this happening. As factions within the greater Empire draw up battle lines over the imperial throne, the Shadow Moon summons a far more ancient and potent presence for an all-out assault upon the island. Witnessing these cataclysmic events are Kiska, a young girl who yearns to flee the constraints of the

city, and Temper, a grizzled, battle-weary veteran who seeks simply to escape his past. Each is to play a part in a conflict that will not only determine the fate of Malaz City, but also of the world beyond... The conclusion to Ian C. Esslemont's epic fantasy Path to Ascendancy trilogy--a prequel story set in the New York Times bestselling Malazan Empire series--co-created by Steven Erikson. The incessant war between the bickering city states of Quon Tali rages. So engrossed are the warring lords and princes in

their own petty feuds that few notice that an upstart mage from Dal Hon has gained control of the southern seas. Kellanved could not care less about any of this petty politicking or strategy or war. Something other and altogether more mysterious has caught his attention and he - together with a reluctant and his decidedly skeptical friend Dancer - traverse continents and journey through the Realms. But this ancient mystery that has so captivated Kellanved is neither esoteric nor ephemeral. It involves the Elder races themselves, and more alarmingly, the semi-mythic Army of Dust and Bone. Surely no one in their right mind would be so foolish as to embark on a journey from which none have returned? Well, no one except Kellanved. As the Crimson Guard marches toward Quon Tali, the heart of the Malazan Empire, many citizens, and even her own generals and mages, wonder whether Empress Laseen is losing her grip on power.

It's a conflicted time in Kurald Galain, the realm of Darkness, where Mother Dark reigns. But this ancient land was once home to many a power... and even death is not quite eternal. The commoners' great hero, Vatha Urusander, is being promoted by his

followers to take Mother Dark's hand in marriage, but her Consort, Lord Draconus, stands in the way of such ambitions. The impending clash sends fissures throughout the realm. As rumors of civil war burn through the masses, an ancient power emerges from the long dead seas. Caught in the middle of it all are the First Sons of Darkness, Anomander, Andarist, and Silchas Ruin of the Purake Hold...
