## Dharma Road A Short Cab

Dharma Road is basically a short book  
on the basics of Buddhism through the  
eyes of a cab driver. I really enjoyed  
Mr. Haycock's sense of humor & how  
broke the teachings of Buddha down  
in a concise, clear form. I hope to read  
more books written by him. And if he

Brian brings us into his world as a cab driver and contrasts that life with his practice. I appreciate his analogy here, I drove a cab for a summer and laughed numerous times while reading "Dharma Road.." We've read this kind of book before, even I compared my love of metal with Buddhist practice.

Brian Haycock was a cabdriver--who happened to be a Buddhist. During the course of his career as a cabdriver, he learned that each fare provided an opportunity to learn the life lessons of the Buddha. So, hop in and buckle up; we'll be making several stops on this trip. We're off on our journey to self-discovery, passing through the precepts, the four noble truths, taking a hard left to stop and get coffee--where we'll learn a few breathing techniques to bolster our patience--all the while watching for ambulances and bikers, focusing our attention and awareness so that we can arrive at our destination in good time and in one piece. Here are stories from everyday life that demonstrate how we can all benefit from a little Buddhist philosophy or practice. With each chapter focusing on a specific

Anger. For all of us, it's a familiar feeling—jaw clenching, face flushing, hands shaking. We feel it for rational and irrational reasons, on a personal and on a global level. If we know how to handle our anger skillfully, it is an effective tool for helping us recognize that a situation needs to change and for providing the energy to create that change. Yet more often anger is

destructive—and in its grip we hurt ourselves and those around us. In recent years scientists have discovered that mindfulness practice can reduce stress, improve mood, and enhance our sense of well-being. It also offers us a way of dealing with strong emotions, like anger. This anthology offers a Buddhist perspective on how we can better work with anger and ultimately transform it into compassion, with insight and practices from a variety of contributors, including Thich Nhat Hanh, Sharon Salzberg, Sylvia Boorstein, Carolyn Gimian, Tara Bennett-Goleman, Pat Enkyo O'Hara, Jules Shuzen Harris, Christina Feldman, Mark Epstein, Ezra Bayda, Judith Toy, Noah Levine, Judy Lief, Norman Fischer, Jack Kornfield, Stan Goldberg, Yongey Mingyur Rinpoche,

such as mindfulness and relaxation in meditation, as well as profound, simply expressed teachings and insightful explorations of religious commitment. Essential Chan Buddhism filters formal spiritual practices through the lens of mundane and everyday life activities. The work captures the lyrical beauty and incantatory style of Guo Jun's spoken English from the talks he gave at a fourteen-day retreat near Jakarta in 2010 and in subsequent conversations with his editor Kenneth Wapner. This value-priced hardcover edition is both a distinctive addition to Buddhist collections and a thoughtful gift for anyone looking for spiritual guidance. Chan master Guo Jun is one of a new breed of international teachers taking the world's great wisdom traditions into the twenty-first century. He is currently abbot of

Retiring to a seaside cabin near San Francisco, Jack Duluoz looks for tranquility, but finds only horror and despair.

1944 was a troubled and momentous year for Jack Kerouac. In March, his close friend and literary confidant, Sebastian Sampa, lost his life on the Anzio beachhead while serving as a US Army medic. That spring -- still reeling with grief over Sebastian -- Kerouac solidified his friendships with Lucien Carr, William Burroughs, and Allen Ginsberg, offsetting the loss of Sampa by immersing himself in New York's blossoming mid-century bohemia. That August, however, Carr

stabbed his longtime acquaintance and mentor David Kammerer to death in Riverside Park, claiming afterwards that he had been defending his manhood against Kammerer's persistent and unwanted advances. Kerouac was originally charged in Kammerer's killing as an accessory after the fact as a result of his aiding Carr in disposing of the murder weapon and Kammerer's eyeglasses. Consequently, Kerouac was jailed in August 1944 and married his first wife, Edie Parker, on the twenty-second of that month in order to secure the money he needed for his bail bond. Eventually the authorities accepted Carr's account of the killing, trying him instead for manslaughter and thus nullifying the charges against Kerouac. At some point later in the year -- under circumstances that remain rather

mysterious -- the aspiring writer lost a novella-length manuscript titled *The Haunted Life*, a coming of age story set in Kerouac's hometown of Lowell, Massachusetts. Kerouac set his fictional treatment of Peter Martin against the backdrop of the everyday: the comings and goings of the shopping district, the banter and braggadocio that occurs within the smoky atmospherics of the corner bar, the drowsy sound of a baseball game over the radio. Peter is heading into his sophomore year at Boston College, and while home for the summer in Galloway he struggles with the pressing issues of his day -- the economic crisis of the previous decade and what appears to be the impending entrance of the United States into the Second World War. The other principal characters, Garabed Tourian and Dick

Sheffield, are based respectively on Sebastian Sampas and fellow Lowellian Billy Chandler, both of whom had already died in combat by the time of Kerouac's drafting of *The Haunted Life* (providing some of the impetus for its title). Garabed is a leftist idealist and poet, with a pronounced tinge of the Byronic. Dick is a romantic adventurer whose wanderlust has him poised to leave Galloway for the wider world -- with or without Peter. *The Haunted Life* also contains a compelling and controversial portrayal of Jack's father, Leo Kerouac, recast as Joe Martin. Opposite of Garabed's progressive, New Deal perspective, Joe is a right-wing and bigoted populist, and an ardent admirer of radio personality Father Charles Coughlin. The conflicts of the novella are primarily intellectual, then, as

Peter finds himself suspended between the differing views of history, politics, and the world embodied by the other three characters, and struggles to define what he believes to be intellectually true and worthy of his life and talents. The Haunted Life, skillfully edited by University of Massachusetts at Lowell Assistant Professor of English Todd F. Tietchen, is rounded out by sketches, notes, and reflections Kerouac kept during the novella's composition, as well as a revealing selection of correspondence with his father, Leo Kerouac.

You don't need to be a Buddhist to find the Buddha's teachings motivational. As the Dalai Lama says, "Don't try to use what you learn from Buddhism to be a Buddhist; use it to be a better whatever-you-already-are." So whether it's Mother Teresa's acts of charity, Gandhi's perseverance, or your aunt Betty's calm demeanor, as long as you're motivated to be better today than you were yesterday, it doesn't matter who inspires you. Regardless of religion, geographical region, race, ethnicity, color, gender, sexual orientation, age, ability, flexibility, or vulnerability, if you do good you feel good, and if you do bad you feel bad.
