Vivaldi - Dixit Dominus (RV 594) - YouTube
There are three recorded compositions of Dixit Dominus – Psalm 110 in Latin (or Psalm 109 in the Vulgate) – by Vivaldi. Each is an extended setting of the vespers psalm for five soloists, choir and orchestra; one only having been identified as his work in 2005. Psalm 110 is regularly included in Vespers services, usually as the opening psalm.

A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, The "S" Files is a children's Christmas musical your kids will love performing.

This is a thorough-going study of Monteverdi's Vespers, the single most significant and most widely known musical print from before the time of J.S. Bach. The author examines Monteverdi's Vespers from multiple perspectives, combining his own research with all that is known and thought of the Vespers by other scholars. The historical origin as well as the musical and liturgical context of the Vespers are surveyed; similarly the controversial historiography of the Vespers in the nineteenth and twentieth centuries is scrutinized and evaluated. A series of analytical chapters attempt to clarify Monteverdi's compositional process and the relationship between music and text in the light of recent research on modal and tonal aspects of early seventeenth century music. The final section is devoted to thirteen chapters investigating performance practice issues of the early seventeenth century and their application to the Vespers, including general and specific recommendations for performance where appropriate. The book concludes with a series of informational appendices, including the psalm cursus for Vespers of all major feasts in the liturgical calendar, texts, and structural outlines for the Vespers compositions based on a cantus firmus, an analytical discography, and bibliographies of seventeenth-century musical and theoretical sources.
