MAIS OUI!'s success was founded on its unique guided approach that engages students in the discovery of the French language and Francophone cultures. Through its proven methodology that entails thinking then observing and inferring and finally confirming, the program skillfully encourages students to discover for themselves how the language works. Students move rapidly through the material, developing these essential critical-thinking skills and uncovering the multiple layers of meaning. What they acquire in this manner is stored in long-term memory, facilitating a faster development of proficiency. The fifth edition offers seven new high-interest readings based on careful consideration of reviewer feedback. A new Culture Portfolio section, *Bloguez!* is integrated into every culture section of the textbook.
