When FBI Special Agent Joe Pistone began a "six-month" operation infiltrating New York's Bonanno crime family in 1975, he had no idea what was about to happen. Posing as jewel thief "Donnie Brasco," Pistone spent the next six years undercover in the Family, witnessing-and sometimes participating in-the Mafia's gruesome activities while gathering enough evidence to send over 200 gangsters to jail. Pistone told his story in the 1988 book Donnie Brasco: My Undercover Life in the Mafia-a New York Times bestseller and later a feature film starring Johnny Depp and Al Pacino. But because of pending trials at the time of publication, many details of the alleged crimes were held back. Now, in Donnie Brasco: Unfinished Business, Pistone for the first time reveals with great detail the horrific deeds of wiseguys Tony Mirra, "Lefty" Ruggiero, Sonny Black, and the rest of the cold-blooded Bonanno crew. Pistone puts the operation into historical perspective, detailing the timeline of Mafia trials that crippled the New York City crime family over the past 25 years. He also recounts his experiences after the operation, his time on the Hollywood set with Pacino and Depp, and other undercover operations through present-day. A tense, thrilling account of the greatest infiltration ever by a federal agent into the most brutal gang of killers in the world, Donnie Brasco: Unfinished Business is the final chapter in the story of a real American hero.

Posing as jewel thief "Donnie Brasco," FBI agent Joseph D. Pistone carried out the most audacious sting operation ever, working undercover for six years to infiltrate the flamboyant community of mafia soldiers, "connected guys," captains, and godfathers. Now his unforgettable eyewitness account brings to pulsating life the entire world of wiseguys--their code of honor and their treachery, their wives, girlfriends and whores, their lavish spending and dirty dealings. With the drama and suspense of a high-tension thriller, Joseph Pistone reveals every incredible aspect of the jealously guarded world he penetrated...and draws a chilling picture of what the mafia is, does, and means in America today.

At 6'4" and 375 pounds, Jack Garcia looked the part of a mobster, and he played his part so perfectly that his Mafia bosses never suspected he was an undercover agent for the FBI. 'Big Jack Falcone', as he was known inside La Cosa Nostra, learned all the inside dirt about the Gambino organized crime syndicate and its illegal activities - from extortion and loan-sharking to assault and murder. The result was a string of busts and a quarter of a million dollar contract put out on his life. A fascinating inside look at the struggle between law enforcement and organized crime, MAKING JACK FALCONE sheds new light on two organizational cultures that continue to exert an unparalleled grip on our imagination.

Undercover FBI Special Agent Donnie Brasco journeys to Florida to investigate a violent political conspiracy that has already cost the life of a fellow agent

The Federal Bureau of Investigation (FBI) is a national agency dedicated to investigation federal crimes. Founded as a small team of special agents on July 26, 1908, the Bureau was first charged with enforcing the growing body of federal laws covering the United States as a whole. Almost from the beginning of its 100-year history, the Bureau has been the subject of legend and controversy. It has also evolved into a vast and sophisticated national law-enforcement agency. Whether as a federal crime-fighting force or a source of investigative support of local and state police forces, the modern FBI strives to embody its ideals of fidelity, bravery, and integrity. The FBI did not enter the fight against organized crime eagerly. However, once it did-and once Congress gave the Bureau powerful weapons to use against crime families-the FBI moved with skill. By finding informants, following the paper trail of money earned illegally, and using carefully placed wiretaps, the FBI has put hundreds of mobsters behind bars. Today, the FBI's fight against mobsters often involves working with police in other countries, because organized crime has become an international problem. At the same time, the FBI has focused on breaking gangs that control the illegal drug trade.

Posing as jewel thief "Donnie Brasco", F.B.I. Special Agent Joseph D. Pistone immersed himself for over six years in the criminal underground from New York to California, Wisconsin to Florida. Here is that story--a unique portrait of life inside the Mafia. 8-page photo insert.
