The River Dun is a tributary of the River Kennet flowing through Wiltshire and Berkshire in England. Its main source is in the parish of Great Bedwyn, Wiltshire and it flows 16 kilometres for its whole course ENE into Berkshire, where it discharges into the Kennet at Hungerford, which has a smaller average flow and width upstream of that point.

DYA#1 - Le livre récit d'une expérience de vie hors-norme sur la route, un tour d'Europe à travers 24 pays et 35 000 km. "Le vrai voyage c'est d'y aller. Atteindre sa destination, c'est le terminer. Beaucoup de gens commencent par la fin". Cette citation d'Hugo Verlomme résume parfaitement l'esprit du grand voyage qu'ont entrepris Elsa & Bertrand dans le cadre de la première ...

The experience begins with pickup from your hotel in Dubai and heads out to the Lehab Desert where adventure awaits. Arrive at the dune buggy center and get kitted out with all the necessary safety gear while listening to the instructions from your safari captain. Drive your buggy out onto the sand dunes and enjoy 50-minutes of thrill seeking.

Aiming at making the visitor a participant rather than just a spectator, the author succeeds admirably in her descriptions, from Ireland's pub life to its prehistoric sites, the spectacular Cliffs of Moher and kissing the Blarney Stone. Neylon takes us on a fabulous and thorough journey throughout this beautiful country. Where to stay is thoroughly researched, with choices from rentals to government-approved hostels, B&Bs and RV parks. The Irish author's book is a compilation of how best to enjoy the delights her country holds for visitors. --Edyth Shepard, Anton Community Newspapers. Excellent choice. This travel series is one of the best. The book is very well detailed and user-friendly. It's well priced, too, and a great bargain. I consider a good guidebook essential when visiting a new place and I was thrilled with this one. The writer is from Ireland and the book is filled with her insider knowledge. The photos and maps are great, as are the driving instructions. If you buy one guidebook to Ireland, then get this one - it has everything you need to know!!!! --A reader. I had the chance to take a look at the sample chapter (Dublin) that's available on your website and I have to say I am very

impressed with layout and detailed information. I have long been a fan of the Lonely Planet Guides, but I compared your Dublin chapter to the one in Lonely Planet and am far more impressed with your guide. I look forward to reading through the rest of the guide when it arrives! --Ireland Tour Operator. Ireland is steeped in history, tradition and culture, making it one of the most popular vacation destinations worldwide. Its story is told in centuries-old castles (some of which now welcome overnight guests); stone circles strategically placed to shine in the winter solstice moon; and, of course, in its pubs, where local residents gladly share a pint and a tale. Its cities are a treat to explore, with winding streets packed with tiny antique stores. Trips along the coast take you to traditional fishing villages and past some of the world's best golf courses. This book, written by an Ireland native, tells it all.

"I trust that age doth not wither nor custom stale my infinite variety." ? Arthur Conan Doyle The Return of Sherlock Holmes is a collection of thirteen classic short stories that contain diverse adventures that Sherlock and Dr Watson embark upon to solve some intriguing mysteries. After publishing The Hound of the Baskervilles in 1901-02, which was set before Holmes' "death", Doyle was compelled to reinvent his popular characters due to their incredible fan following. Beginning with Holmes' return in "the empty house" and ending with "the second stain," these stories contain a rich flavour of wit and suspense that will certainly entertain readers of all generations.

A murder was committed at the old professor Coram's house. His secretary Smith was killed while the professor was still in bed. Coram would have been the first suspect if it was not for the fact that he was an invalid who could not move. Inspector Hopkins got to a dead end in the investigation so he reached out for help from Watson and Holmes. The only evidence they found was a pince-nez. Can this be enough for them to solve the case? "The Adventure of the Golden Pince-Nez" is a part of "The Return of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

"The Video Games Guide is the world's most comprehensive reference book on computer and video games. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review of the game itself"--Provided by publisher.

Detailed and timely information on accommodations, restaurants, and local attractions highlight these updated travel guides, which feature all-new covers, a two-color interior design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation, guidelines for shopping excursions, and other valuable features. Original.

The Penguin English Library edition As usual with the Sherlock Holmes stories it is very hard to say which are the best - but there are many stories here which would get the vote - ranging from The Boscombe Valley Mystery to the wonderful Adventure of Silver Blaze, from the Adventure of the Norwood Builder to A Case of Identity, but above to the uniquely strange and macabre Adventure of the Engineer's Thumb.

From the strange case of 'The Red-Headed League' to the extraordinary tale of 'The Engineer's Thumb', Sherlock Holmes and his assistant Dr Watson grapple with treachery, murder, and ingenious crimes of all kinds. But no case is too challenging for the immortal detective's unique power of deduction.

Your Travel Destination. Your Home. Your Home-To-Be. South Dakota's Black Hills & Badlands Ghost towns and modern towns. Trendy eateries and rustic bars. Cowboys and artists. Rodeos, skiing, hiking, and biking. Breathtaking landscapes in a place of welcoming smiles. • A personal, practical perspective for travelers and residents alike • Comprehensive listings of attractions, restaurants, and accommodations • How to live & thrive in the area—from recreation to relocation • Countless details on shopping, arts & entertainment, and children's activities

No home library is complete without the classics! The Adventures of Sherlock Holmes and Other Stories brings together the essential works from Arthur Conan Doyle in an elegant, leather-bound, omnibus edition—a keepsake to be read and treasured. There is one literary detective who stands above all others, whose powers of deduction are known the world over, whose influence can still be felt in today's most modern whodunits. Who is it, you ask? Why, it's elementary! Sherlock Holmes, the famous gumshoe of 221B Baker Street. And Sir Arthur Conan Doyle--the man who made him famous in such tales as The Hound of the Baskervilles and A Study in Scarlet--changed the world of mysteries, inspiring legions of devoted fans. Whether you're a devotee or you've yet to be awed by Holmes's powers of deduction, you'll love this Canterbury Classics edition of Sir Arthur Conan Doyle's famous works, including The Adventures of Sherlock Holmes, The Sign of Four, The Valley of Fear, The Memoirs of Sherlock Holmes, The Return of Sherlock Holmes, and The Casebook of Sherlock Holmes. A classic keepsake for fans of detective novels, as well as all great literature, The Adventures of Sherlock Holmes and Other Stories is the perfect addition to any library.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
