Thirteen short stories filled with memorable characters of Thomas's youth

First the young schoolboy, gloriously immersed in make-believe in a shabby farmyard; then the budding poet with his thrilling friendships and dreams of fortune. Finally, the neophyte reporter roaming suburban Swansea for momentous material. In ten wonderfully evocative short stories, Dylan Thomas conveys the exuberance and enthusiasm of youth as he fictionalises events from his childhood. Adolescent sexuality and male friendship are two of the themes that pervade this collection, along with the more familiar topics of love, death and religion. Featuring a bold new livery in celebration of the Dylan Thomas centenary.

Gwen Watkins' penetrating and honest account of the friendship between her husband, the poet Vernon Watkins and Dylan Thomas. An evocative book recalling the 'Kardomah days' of Swansea cafe society; new introduction by Paul Ferris.

Dylan Thomas was one of the most extraordinary poetic talents of the twentieth century. Poems such as 'Do not go gentle into that good night' regularly top polls of the nation's favourites and his much-loved play *Under Milk Wood* has never been out

of print. Thomas lived a life that was rarely without incident and died a death that has gone down in legend as the epitome of Bohemian dissoluteness. In *The Three Lives of Dylan Thomas*, journalist Hilly Janes explores that life and its extraordinary legacy through the eyes of her father, the artist Alfred Janes, who was a member of Thomas's inner circle and painted the poet at three key moments: in 1934, 1953 and, posthumously, 1964. Using these portraits as focal points, and drawing on a personal archive that includes drawings, diaries, letters and new interviews with Thomas's friends and descendants, *The Three Lives of Dylan Thomas* plots the poet's tempestuous journey from his birthplace in Swansea to his early death in a New York hospital in 1953. In this innovative and powerful narrative, Hilly Janes paints her own portrait: one that ventures beneath Thomas's reputation as a feckless, disloyal, boozy Welsh bard to reveal a much more complex character.

The original and classic *The Collected Poems of Dylan Thomas* is available once again, now with a brilliant new preface by Paul Muldoon. *The Collected Poems of Dylan Thomas* contains poems that Thomas personally decided best represented his work. A year before its publication Thomas died from swelling of the brain triggered by excessive drinking. (A piece of New Directions history: it was our founder James Laughlin who identified Thomas' body at the morgue of St. Vincent's Hospital.) Since its initial publication in 1953, this book has become the definitive edition of the

poet ' s work. Thomas wrote “ Prologue ” addressed to “ my readers, the strangers ” — an introduction in verse that was the last poem he would ever write. Also included are classics such as “ And Death Shall Have No Dominion, ” “ Do Not Go Gentle into that Good Night, ” and “ Fern Hill ” that have influenced generations of artists from Bob Dylan (who changed his last name from Zimmerman in honor of the poet), to John Lennon (The Beatles included Thomas ' portrait on the cover of Sgt. Pepper ' s Lonely Hearts Club Band); this collection even appears in the film adaptation of Cormac McCarthy ' s The Road when it is retrieved from the rubble of a bookshelf. And death shall have no dominion. Dead men naked they shall be one With the man in the wind and the west moon; When their bones are picked clean and their clean bones gone, They shall have stars at elbow and foot; Though they go mad they shall be sane, Though they sink through the sea they shall rise again, Though lovers be lost love shall not: And death shall have no dominion. (From “ And Death Shall Have No Dominion ”)

A collection of stories, essays, and poems written by the noted Welsh poet over a 10-year period
