Edificando Un Matrimonio Que En Verdad Funcione El plan para construir un amor que dure. El matrimonio empieza con ilusion de un amor eterno, esperanza y felicidad. Pero, incluso entre cristianos, la esperanza se disipa pronto. La felicidad se atenua. Y el amor pareciera ser demasiado dificil de sustentar. No tiene que ser asi. Dios diseno el matrimonio para que fuera una relacion satisfactoria y gratificante y El creo al hombre y a la mujer para que juntos y como una sola carne pudieran reflejar Su amor por el mundo. El matrimonio, cuando es vivido como Dios lo diseno, nos llena, nos trae gozo y da a nuestras vidas significado. En este estudio, examinaras el diseno de Dios para el matrimonio y aprenderas, desde la perspectiva del Diseñador, lo que significa ser un esposo o esposa piadoso. Descubriras sabiduria biblica para alcanzar la armonia en areas dificiles como las finanzas, comunicacion y el respeto por el rol de cada uno. Pero lo mas importante, aprenderas los principios que necesitas para edificar un amor que perdure. Building A Marriage That Really Works A Blueprint for Building a Love that Lasts Marriage begins with visions of eternal love, hope, and happiness. Yet, even among Christians, hope too quickly fades. The happiness dims. And love seems too hard to sustain. It doesn't have to be that way. God designed marriage to be a satisfying, fulfilling relationship, and He created men and women so that they-together, and as one flesh-could reflect His love for the world. Marriage, when lived out as God intended, makes us complete, it brings us joy, and gives our lives fresh meaning. In this study, you'll examine God's design for marriage, and you'll learn, from the Designer's perspective, what it means to be a godly husband or wife. You'll discover biblical wisdom for pursuing harmony in difficult areas such as finances, communication, and respect for each other's roles. Most important, you'll learn the principles you need to build a love that lasts.

This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

“Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable.”—The New York Times In *Breakfast of Champions*, one of Kurt Vonnegut's most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. “Free-wheeling, wild and great . . . uniquely Vonnegut.”—Publishers Weekly

How to release a missional movement by discipling people like Jesus did.

Presents a six-week Bible study guide to dispelling fears and the stresses they cause in order to confront situations with courage, strength, and faith in God.

Fear is devastatingly real. All of us -- at some point -- have faced it. In fact, approximately one out of ten people has experienced a panic attack or a crisis situation. From fear of public speaking to fear of spiders, this feeling can prevent us from reaching our full potential. Large or small, the things we fear may seem insurmountable, but they're not. *How to Overcome Fear* teaches you that the closer you get to your fears, the more you understand them and the more easily you can defeat them. Speaking from his own experience, Marcos Witt takes readers on a clear path toward following the word of God as a bridge to living a life of victory and freedom, without fear. The first step toward conquest is to acknowledge that the problem exists. The second step is to seek help. Let Marcos lead the way. He has inspired millions with his songs and his sermons. Now let him inspire you with his words.
