Originally its own text, based on even older sources not yet fully documented, this text is commonly wrapped up into the Lesser Keys of Solomon along with such works as the Ars Goetia- some editions of the latter omit this work. Prayers contained herein invoke not just the god of christianity, but Jesus Christ and various angelic powers as well.

Now occult scholar Donald Tyson has modernized and annotated the original text, making this historically important work accessible to contemporary readers. Also deciphered here, for the first time, is the anonymous tract *News from Scotland*, an account of the North Berwick witch trials over which King James presided. Tyson examines King James' obsession with witches and their alleged attempts on his life, and offers a knowledgeable and sympathetic look at the
