book on acting theory, it's a complete course in emotion training and developing. It contains links to videos, audio as well as detailed photos, explanations, descriptions and reference sheets of each of the muscle groups associated with the seven universal emotions. AFF2 goes even deeper, with a guided method to reveal how you personally express emotions, how others perceive you and what could be interfering with your emotional life in your character work. For the first time, you are presented with how the science of emotion and the art of expression are interwoven to assist the professional actor in achieving the real and genuine emotion necessary to not only move the story along but to captivate the viewer. This is where you will have the long awaited opportunity to learn to speak the Language of the Face, John Sudol's groundbreaking set of tools for on-camera actors and business professionals alike. "And when we do it correctly it allows the viewer to read your mind" is Sudol's emphasis when he teaches and coaches his students and clients. AFF2 contains ALL and more of what you were never told about on-camera acting!

Now available in a fully revised and updated second edition, this well established textbook provides a straightforward introduction to the theory of probability. The presentation is entertaining without any sacrifice of rigour; important notions are covered with the clarity that the subject demands. Topics covered include conditional probability, independence, discrete and continuous random variables, basic combinatorics, generating functions and limit theorems, and an introduction to Markov chains. The text is accessible to undergraduate students and provides numerous worked examples and exercises to help build the important skills necessary for problem solving.

Face2face is the flexible, easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. face2face is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken English that are difficult to understand. The free DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.
