He is an American treasure; a clear-eyed fantasist without peer; a literary icon who has created wonder for the better part of seven decades. He has a moon crater named after him and a star on Hollywood Boulevard's Walk of Fame. He has been showered with accolades and honored with prizes galore, everything from an Emmy Award to the National Book Foundation Medal for Distinguished Contribution to American Letters. He has inspired generations of readers to dream, think, invent, believe, and fly. When Ray Bradbury speaks, it pays dividends in gold to everyone who listens. Collected between these covers are memories, ruminations, opinions, prophecies, and philosophies from one of the most influential and admired writers of our time: indelible boyhood experiences that molded the man, as well as his eye-opening, sometimes hilarious true adventures in the realm of the famous and adored; insightful, piquant, often biting, always fascinating reflections on humankind's past and future, and where we stand in the universe today; provocative and deeply affecting musings on the present state of art and the unparalleled glory of creation. As unique, unabashed, and irrepressible as the artist himself, here is an intimate portrait, painted with the master's own words, of the one and only Bradbury -- far more revealing than any mere memoir, for it opens windows not only into his life and work, but into his mind and heart as well. Ray Bradbury has something wonderful to say.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Keep track of your book club selections and record your latest literary adventures with this reading journal to stay organized for your next meeting! But all too often we forget the best details once the book is finished and put back on the shelf. With The Book Club Journal, you can collect and remember all your important thoughts and feelings so that you can reflect on them for future meetings or rereadings. Made specifically for book club members, this journal has prompts for all the basic book stats, such as the title, author, and who suggested the book, along with book club specific questions like “ How does this book compare with the titles we have read previously? ”

This fun and useful journal also includes reference pages with lists of classic book club must-reads, and room for you to create your very own to-read list.

Get drawn into a dystopian world to witness the struggle between one's self and their society. Students imagine what themes might be present in a dystopian future as perceived during the early 1950s. Predict what will happen to the woman whose books were hidden in the attic. Complete a paragraph from the novel with their missing vocabulary words. Answer multiple choice questions about the character Faber. Students reflect on the women's discussion of the two presidential candidates, and whether a person's name and appearance plays any factor in today's politics. Depict an alternate reality where Beatty and Montag join forces concerning their interest with books and the information they contain. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Fahrenheit 451, written by Ray Bradbury, is the story of a man's struggle with his society and himself. The story begins with Guy Montag, a "fireman" charged with the job of burning books that have become outlawed. In this society, books have been deemed to have no value with new media and sports accommodating short attention spans. His struggle begins when he meets his neighbor Clarisse McClellan, a free-thinker that begins to open his mind. From there, he soon finds himself stealing the books he was tasked to destroy. Montag's struggle culminates in an attempt to discover the value of books himself, putting him in the very same danger as those he once persecuted.

“ A novella compresses the world with a short story ’ s focus, but it explores that smaller space with a novel ’ s generosity. ” —Josh Weil, author of *The New Valley: Novellas* While the novella has existed as a distinct literary form for over four hundred years, *Writing the Novella* is the first craft book dedicated to creating this intermediate-length fiction. Innovative, integrated journal prompts inspire and sustain the creative process, and classic novellas serve as examples throughout. Part 1 defines the novella form and steers early decision-making on situation, character, plot, and point of view. Part 2 provides detailed directions for writing the scenic plot points that support a strong but flexible narrative arc. Appendix materials include a list of recommended novellas, publishing opportunities, and blank templates for the story map, graphs, and charts used throughout the book. By turns instructive and inspirational, *Writing the Novella* will be a welcome resource for new and experienced writers alike.

A collection of three of Ray Bradbury ’ s finest science fiction novels: FAHRENHEIT 451, THE MARTIAN CHRONICLES and THE ILLUSTRATED MAN.

A Graphic Adaptation An HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork, Ray Bradbury's Fahrenheit 451 is an exceptional, haunting work of graphic literature.

Ray Bradbury ’ s novel Fahrenheit 451 is an enduring masterwork of twentieth-century American literature—a chilling vision of a dystopian future built on the foundations of ignorance, censorship, and brutal repression. The origins and evolution of Bradbury ’ s darkly magnificent tale are explored in *A Pleasure to Burn*, a collection of sixteen selected shorter works that prefigure the grand master ’ s landmark novel. Classic, thematically interrelated stories alongside many crucial lesser-known ones—including, at the collection ’ s heart, the novellas “ Long After Midnight ” and “ The Fireman ” —*A Pleasure to Burn* is an indispensable companion to the most powerful work of America ’ s preeminent storyteller, a wondrous confirmation of the inimitable Bradbury ’ s brilliance, magic . . . and fire.
