Principles of Managerial Finance.

Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment.

The core concepts and tools students need to make informed investment decisions. Fundamentals of Investing helps students make informed investment decisions in their personal and professional lives by providing a solid foundation of core concepts and tools. Gitman/Joehn/Smart use practical, hands-on applications to introduce the topics and techniques used by both personal investors and money managers. The authors integrate a consistent framework based on learning goals to keep students focused on what is most important in each chapter. Students leave the course with the necessary information for developing, implementing, and monitoring a successful investment program.

Discover how practical international finance can be with the unique blend of international finance theory and current applications found in INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E. Using familiar companies such as Nike, author Jeff Madura clearly explains international finance in understandable terms with the support of hands-on applications. The book focuses on management decisions that maximize a firm's value. Readers examine some of the latest developments in international finance with the text's timely examples and extensive links to related Internet content. New Excel exercises and a variety of multinational corporation projects help readers refine their international finance skills. This Abridged Edition provides flexibility and an economical text choice by offering all chapters from the Full Edition but makes several of the chapters that are less frequently used available online at <http://academic.cengage.com/finance/madura>. Readers develop the international finance management skills needed to succeed in today's ever-changing market with the balance of solid theory and practical applications found in Madura's INTERNATIONAL FINANCIAL MANAGEMENT, ABRIDGED EDITION, 9E.
