From New York Times bestselling author and queen of romance Julie Garwood comes this classic novel of a medieval lady who risks everything to win a champion's heart. In feudal England, Elizabeth Montwright barely escaped the massacre that destroyed her family and exiled her from her ancestral castle. Bent on revenge, she rode again through the fortress gates, disguised as a peasant...to seek aid from Geoffrey Berkley, the powerful baron who had routed the murderers. He heard her pleas, resisted her demands, and vowed to seduce his beautiful subject. Yet as Elizabeth fought the warrior's caresses, love flamed for this gallant man who must soon champion her cause...and capture her spirited heart.

use its strength to support you as move forward toward your dreams. Written with honesty, humor, and compassion, this book will inspire you to step out and reconnect with your gentle warrior spirit. It will motivate you to veer off the beaten path and explore some of the less-traveled roads, and it will compel you to start living a bigger and bolder life. Mary Ann Bailey, MC, works with women facing midlife transitions. Self-defined as a courage coach, Mary Ann helps her clients connect with their inner courage and then shows them how to use the strength of that courage to overcome the barriers of change and successfully achieve their dreams. Mary Ann brings a unique blend of professional and personal experiences to her coaching. Her professional background includes extensive experience in education, counseling, program management, and nonprofit administration. She is the author of two books on career transitions, the owner of a successful coaching business and a breast cancer survivor. This combination of experiences has given her the knowledge, skills, and compassion to effectively help her clients address the issues that arise when facing any kind of life change or challenge. Mary Ann holds a BA in Psychology and a Masters in Counseling and is a graduate of New Ventures West's Integral Coaching Program. She and her partner live in Seattle.

In November 1950, United Nations forces in Korea narrowly escaped being overrun by Chinese Communist forces, due to the military expertise of General Oliver Prince Smith. Using the general's own notes and diaries, this book describes Smith's long and distinguished career, his command in Iceland in 1940, in the Pacific campaigns, and in Korea. The general's wartime dealings with military and political leaders is also discussed, paying tribute to a man called the

How do you become a "gentle warrior" when you're so damn angry you want to kill something?! Everywhere you turn there seems to be a wall you cannot penetrate. You are in a cage emotionally and all apparent answers you have sought have been exhausted; so you turn it inward because there seems to be no other way out. Not realizing that there is. There is a way out. It is our free will through the choices we make. It is your birthday present. Never give your power away to anyone. I propose our souls continue forever. This is the story of the gentle way how it really works. The Gentle Warrior is about dealing with real-life problems and the steps you can take to remedy them and how you can apply them to life's daily situations. It shows you how to change old reactive habits by replacing them with new ones that really work. The book is divided into 14 segments with poems throughout relating to the various subjects that deal with anger/depression, joy/sorrow and many others. It covers the basis of my book, which is unconditional love. This is a very "real-life" treatment of personal issues that we all face. My book deals with spiritual growth and free will choice concepts. The poems often say things in a different way and touch upon thoughts expressed by the author and possible the reader. It helps the person to realize that there are many others struggling with the same challenges and situations. It also deals with repetition and how to stop the same old habits. It gives hope and a way to make real changes in your life. A new way to get out of the same old groove using underlying concepts of truth and where unconditional love takes you. This is a book about helping others by helping ourselves. It shows us how to become what I believe to be our true nature. Then, when we help ourselves we automatically help others. A very
