Getting Started with Latin is divided into simple lessons that explain the fundamentals of Latin grammar in a way that anyone can grasp.

Teaches children the basics of Latin grammar and vocabulary, as well as Roman British history and culture, through vocabulary lists, mythical tales, and illustrations.

What's preventing you from teaching Latin in your homeschool or learning it on your own? If you're intimidated because you've never studied Latin, bewildered by traditional Latin books that move too fast, or just don't know where to begin, then Keep Going with Latin is for you! Specifically designed to overcome these types of obstacles, Keep Going with Latin is divided into simple lessons that explain the fundamentals of Latin grammar in a way that anyone can grasp. Instead of burying you in mountains of information to memorize, new words and concepts are introduced in a gradual and systematic way. You can immediately apply what you've learned by translating the fun exercises at the end of each lesson. To hear the words pronounced, simply download the free MP3 files from www.GettingStartedWithLatin.com. Quickly check your work by turning to the included answer key. With everything you need here in one book, why not Keep Going with Latin?

This product is most effective when used in conjunction with the corresponding audio support. - You can purchase the book and double CD as a pack (ISBN: 9781444101645) - The double CD is also sold separately (ISBN: 9781444101652) (copy and paste the ISBN number into the search bar to find these products) Do memories of your grammar lessons haunt you and other textbooks overwhelm you? Then Get Started in Latin is for you. Follow a Latin story set in a medieval monastery, where conspiracy unfolds in the cloisters, Vikings threaten to attack, and young lovers set out to unmask the villains. Sample some classical Latin too, and learn more about the authors who wrote it. Get Started in Latin is ideal for complete beginners because it introduces the language step by step through an interesting and humorous story. Each unit contains grammatical explanations and vocabulary support. There are plenty of exercises to practise each point as it is introduced and help you remember what you have learnt. There are two revision units so that you can check your progress and review areas of difficulty. 'About Latin' sections give lots of information about the history of the language and its influence upon English. 'Living Latin' sections contain pieces of authentic Latin, most of which is classical. They are included to give you an idea of what there is to enjoy once you have mastered the language and the translations are given. The accompanying CDs are available separately or in a pack with the book. The recording contains the story and the 'Living Latin' sections of the book, and will enhance your enjoyment of the poetry and give you an idea of what Latin sounded like. Learn effortlessly with new, easy-to-read page design and interactive features: NOT GOT MUCH TIME? One- and ten-minute introductions to key principles to get you started. The backbone of Henle Latin Second Year is intensive language study, including review of the first year plus new materials. Separated into four parts, Henle Latin Second Year includes readings from Caesar's Commentaries, extensive exercises, and Latin-English vocabularies. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.

If you have less than fond memories of school days and learning Latin then this book may be the ideal starter course. Everything is explained in simple terms with hints throughout. An audio cassette is available to accompany the text. Previous ed.: published as Beginner's Latin. London: Hodder Headline, 1997.

A critical volume for the homeschooling community that helps parents make informed choices regarding learning styles and curriculum

A step-by-step program that shows parents, simply and clearly, how to teach their child to read in just 20 minutes a day.
