Annie a freelance journalist and writer was trying to put her life together, little did she know she was going to be pulled into a situation that would require her own personal Ghost. Jason Anderson, Ghost is content to live life unattached after a bad breakup with his ex-fiancZ. After meeting his neighbor he realizes that she needs healing, can he be the man to heal her? When Annie's past catches up with her and she finds herself being held hostage in a foreign country can Ghost and his team of SEAL's get to her in time?

Right before their very eyes, the blazing firestorm yielded up the Ghost! With jaws dropped, the men stood in awe as the creature slowly approached them. No one could have survived that roaring fire set in motion by their own devices. Yet, there he stood larger than life. It was none other than Navy SEAL Commander Bart Nelson. Not believing her eyes, Captain Chelsea Steele wrapped her arms around him and felt of the flesh to make certain it was not an illusion. Still not convinced his men inquired as to how this could be possible. From this day forward the commander was known by both friend and foe as the Ghost. Yes, he had survived but this was only the beginning. The mighty warrior seemed to be invincible and thus the legend grew. Before long the enemy became fearful of the one that simply would not die. At every turn this creature showed up, plaguing their efforts, leaving behind lifeless rebels amid destruction. Alas, there was one thing the Ghost was incapable of, and that set in motion the stories that would follow his departure from the Navy SEALs! If you are a fan of the popular SEALs Series, beginning with The Twelve SEALs, you will want to read this book! Please allow me to introduce this larger-than-life hero, Commander Bart Nelson, The Ghost SEAL!

SEAL Ren "Ghost" Ramsey never expected sparks to fly when he meets up with his childhood friend, Dr. Sadie Ballew while on leave in Key West. He's surprised to discover she's successful, sexy, and divorced. Sadie had always been too good for the likes of him, a son of an alcoholic and slated to become no better. He should keep her at arm's length, but he wants nothing more to burn up the sheets with the sassy lady she's become. Sadie isn't fooled by the badass, dangerous facade Ren wears like a second skin. She only sees the sweet yet conflicted boy she loved and lost all those years ago. Afraid to let him go off on another dangerous mission without knowing how she truly feels, Sadie needs to find the confidence to make the leap from friends to lovers.

This "Ghost" May Not Walk Through Walls, but Walls had Better Not Get in His Way! A New Techno-thriller Adventure Series by a New York Times Best-Selling Author. Former SEAL Michael Harmon, Team Name "Ghost", retired for service injuries, is not enjoying college life. But things are about to

change, if not for the better. When he sees a kidnapping a series of, at the time logical, decisions leave him shot to ribbons and battling a battalion of Syrian commandos with only the help of three naked co-eds who answer to the names "Bambi," "Thumper" and "Cotton Tail." A fast-paced, highly-sexual, military-action thriller that ranges from a poison factory in the Mideast to the Florida Keys to Siberia, the novel will keep you guessing what twisted fate will bring next for the man once known as . . . Ghost. Keep an eye on him or . . . poof, he'll be gone. At the publisher's request, this title is sold without DRM (Digital Rights Management). "John Ringo's done it again! Ghost is a complete adrenaline rush, filled with nonstop, kick ass action and hair-raising suspense." ³/₄Richard Marcinko, New York Times best-selling author of Rogue Warrior: Vengeance.

My husband is a ghost. Being the wife of a ghost, I experienced many things that ordinary people couldn't even imagine.

Thirty beguiling stories of sprites, wraiths, and specters appear here, as they were told to a Smithsonian Institution ethnographer in rural 19th-century Ireland. Stories include "Tom Connors and the Dead Girl," "Maurice Griffin and the Fairy Doctor," "The Ghost of Sneem," "Tom Moore and the Seal Woman," "The Blood-Drawing Ghost," and many more

Caina Amalás has found the lost relics of Iramis, but with the relics comes deadly peril. For Grand Master Callatas is ready to work his terrible Apotheosis, and all he needs to unleash the dark power of the nagataaru is the Staff and the Seal of Iramis...once he takes them from Caina's dead hands. Yet if Caina and Callatas do not work together, they are doomed. For the last of the fearsome Great Necromancers, Kharnaces the Heretic, laid his sinister trap long ago, and its jaws now close around his former pupil Callatas. Unless the mighty sorcery of Kharnaces is defeated, he will unmake the world in his dark designs. Starting with Caina and Callatas...

Following in the tradition of his first collection of ghost stories, *Dark Woods, Chill Waters*, Marcus LiBrizzi has researched and written a collection of 21 true ghost stories from the Acadia/Mount Desert Island region of Maine. All the stories stand out due to their frightening elements and legendary qualities, combined with historical background and eye-witness accounts. The collection also provides a kind of gothic tour guide, recounting stories in settings that readers can go and visit.

National Book Award finalist Laura Ruby returns with the middle chapter in her epic alternate-history adventure—a journey that will test Tess, Theo, and Jaime and change their lives forever. It was only a few weeks ago that the Biedermann twins, Tess and Theo, along with their friend Jaime Cruz, followed the secrets of the Morningstarrs' cipher further than anyone had in its century-and-a-half history—and destroyed their beloved home in the process. But the Old York Cipher still isn't solved. The demolition of 354 W. 73rd Street only revealed the next clue in the greatest mystery of the modern world, and if Tess, Theo, and Jaime want to discover what lies at the end of the puzzle laid into the buildings of New York by its brilliant, enigmatic architects, they will need to press on. But doing so could prove even more dangerous than they know. It is clear that the Morningstarr twins marshaled all the strange technology they had spent their lives creating in the construction of the Cipher, and that technology has its own plans for those who pursue it. It's also clear that Tess, Theo, and Jaime are not the only ones on the trail of the treasure. As enemies both known and unknown close in on them from all sides and the very foundations of the city seem to crumble around them, they will have to ask themselves how far they will go to change the unchangeable—and whether the price of knowing the secrets of the Morningstarrs is one they are willing to pay.
