Barb Voss had suffered a lifetime of hurt, trauma, and loss, but that didn't stop veterinarian James A. Kennedy from wooing her and stealing her heart. In this true love story, Barb recalls how she searched, prayed, and waited for her "cowboy knight"—and eventually found him through a Christian website and divine intervention. Including original e-mail messages, Barb's memoir recalls the love that developed between two former strangers. How do shields come down for love to finally take hold? How does a love for God shine through the most joyful and painful of experiences? How does someone get through poor health, the death of loved ones, and a variety of betrayals?

Telling her life story, Barb recounts seeking to answer these questions while leaving the past behind to find her once-in-a-lifetime love. She met an extraordinary man, and she shares all the romantic details in *My Cowboy Knight, My Boaz*. This book may contain what could be some of the most beautiful love letters and prayers ever.

Men want love too! From the author of the bestselling book "God Where Is My Boaz" comes a book that will help men who truly desire love and a woman they can spend their life with. "He Who Finds A Wife" takes a practical and spiritual approach to guiding men on the path that will lead to their self growth, and a amazing relationship.

When a woman loves a man it's like all the cliches you have ever heard. She "stands by her man." He has "sunshine on a cloudy day." She makes him feel like "a natural man." When a woman loves a man you are looking at how Christ loves. She puts his needs before her own. She focuses on what he needs and how he needs it. When a woman loves a man she is his biggest cheerleader and encourager. She will go to great lengths to protect him and promote him. Although Jezebel was definitely an ungodly woman she showed her love for Ahab, even though that love contributed to her death. When a woman loves a man she stands by him against all odds, in front of him against all foes, and

behind him to protect his back. The Bible states that God took part of the man's rib and made the woman. This is significant for many reasons, one of which teaches us that the woman's love would be expressed in her protection of her husband emotionally. The ribcage protects the vital organs like the heart and the lungs. Yes, God has made man the physical protector of the woman but He's equalized the playing field by making the woman the emotional protector of the man. It has been said that man is the head, but it is the woman that turns the head. In Titus chapter 2 the older women are to teach the younger women how to love their husbands. When a Woman Loves a Man will explore and explain the characteristics that a woman demonstrates that expresses her love to her man in the way that God intended.

v Have you found yourself attracting the wrong type of men? v Are you single, and growing tired of being alone? v Are you still carrying baggage from previous relationships? v Do you think that you are ready for marriage? If you answered yes to any of these questions, then you are holding the right book. *Waiting with a Purpose: A Guide to Finding Your Boaz*, provides common sense measures that will provide enlightenment on your journey to obtaining a mate.
