Demystifying a growing and dynamic field, Handbook of Governmental Accounting reflects the increasing complexity of this area, enabling readers to grasp the intricate accounting that is involved as government expenditures multiply and governments engage in progressively complex transactions. Drawing on the expertise of a distinguished group of contributors, the book begins with a discussion of the growth of generally accepted accounting principles (GAAP), providing a historical perspective which highlights the greater levels of accountability in government finance. It covers governmental funds, proprietary funds, and fiduciary funds. It also reviews governmental financial reporting and examines the process of auditing governmental entities. While the majority of the chapters relate to state and local governments in the United States, the book also provides insight into federal accounting and international public sector accounting standards. Presenting numerous useful charts and sample budget outlines, this book provides concrete guidance in an area that has increased in complexity as governmental accountability takes on a heightened priority.

FISCAM presents a methodology for performing info. system (IS) control audits of governmental entities in accordance with professional standards. FISCAM is designed to be used on financial and performance audits and attestation engagements. The methodology in the FISCAM incorp. the following: (1) A top-down, risk-based approach that considers materiality and significance in determining audit procedures; (2) Evaluation of entitywide controls and their effect on audit risk; (3) Evaluation of general controls and their pervasive impact on bus. process controls; (4) Evaluation of security mgmt. at all levels; (5) Control hierarchy to evaluate IS control weaknesses; (6) Groupings of control categories consistent with the nature of the risk. illus.

Need assistance in understanding and applying the special considerations required in a single audit? This 2019 Audit Guide is an indispensable resource for auditors performing Yellow Book and Uniform Guidance compliance audits. Based on Government Auditing Standards, 2011 Revision, this new edition provides up-to-date information and expert guidance on single audits and Uniform Guidance compliance audit requirements. It includes example auditor reports for both the reporting required under Government Auditing Standards and the Uniform Guidance compliance audit. Key features include: Understand the complexities of Government Auditing Standards, including the requirements related to auditor independence. Gain an understanding of the requirements for performing a Uniform Guidance compliance audit, including major program determination. Understand the unique audit areas related to a compliance audit of federal awards, including internal control over compliance for major programs. Properly report on the single audit using the illustrative auditor's reports for both the financial statement audit performed under Government Auditing Standards and the compliance audit performed under the Uniform Guidance.

This comprehensive, step-by-step guide provides a plain-English approach to planning and performing audits. In this handy resource, accountants and auditors will find updates for the issuance of SAS No. 132, The Auditor's Consideration of an Entity's Ability to Continue as a Going Concern, with illustrative examples, sample forms and helpful techniques ideal for small- and medium-sized firms Key Features include: • Comprehensive and step-by-step guidance on the performance of an audit • Numerous alerts that address the current-year developments in a variety of areas • Illustrative examples and forms to facilitate hands-on performance of the audit

COA's Governmental GAAP Practice Manual demonstrates in a detailed manner how a governmental entity can implement the complex standards established by GASB-34 and beyond through a worksheet approach. (A companion publication, Governmental GAAP Guide, discusses financial accounting and reporting standards necessary to prepare the basic external financial statements of a governmental entity.) The emphasis of Governmental GAAP Practice Manual is on the process of preparing financial statements.
