Great American Hypocrites:

Toppling the Big Myths of ...

Greenwald's Great American

Hypocrites is an attempt to paint

the American Republican Party as

indulgent in hypocrisy. He pins

down the conservative rhetoric

with five devices: 1) The John

Wayne Syndrome, 2) How Great

American Hypocrites Feed Off

One Another, 3) Tough Guise, 4)

Wholesome Family Men and 5)

Small-Government Tyrants.

Our Mission. The Patriot Post is steadfast in our mission to extend the endowment of Liberty to the next generation by advocating for individual rights and responsibilities, supporting the restoration of constitutional limits on government and the judiciary, and promoting free enterprise, national defense and traditional American values. We are a rock-solid conservative touchstone for the ...

Access Free Great American Hypocrites Toppling The Big Myths Of R Lican Politics Glenn Greenwald

A former constitutional law attorney and best-selling author of *A Tragic Legacy* goes behind the scenes of the right-wing's pre-election propaganda to expose the fraud behind the image created by the Republican Party for their presidential candidates and to reveal the truth behind the myths and hoaxes they perpetrate. 75,000 first printing.

From "the most important voice to have entered the political discourse in years" (Bill Moyers), a scathing critique of the two-tiered system of justice that has emerged in America From the nation's beginnings, the law was

Access Free Great American Hypocrites

To be the great equalizer in American life, the guarantor of a common set of rules for all. But over the past four decades, the principle of equality before the law has been effectively abolished. Instead, a two-tiered system of justice ensures that the country's political and financial class is virtually immune from prosecution, licensed to act without restraint, while the politically powerless are imprisoned with greater ease and in greater numbers than in any other country in the world. Starting with Watergate, continuing on through the Iran-Contra scandal, and culminating with Obama's shielding of Bush-era officials from prosecution, Glenn Greenwald lays bare the

Access Free Great American Hypocrites

mechanisms that have come to shield the elite from accountability. He shows how the media, both political parties, and the courts have abetted a process that has produced torture, war crimes, domestic spying, and financial fraud. Cogent, sharp, and urgent, this is a no-holds-barred indictment of a profoundly un-American system that sanctions immunity at the top and mercilessness for everyone else.

During the six months prior to the World Trade Center attack, the United States walked away from a treaty to control the world traffic in small arms, the Kyoto accords, a treaty to combat bioterrorism, and many other international

Access Free Great American Hypocrites

agreements. After 9/11 there was a flurry of coalition building, but Europe and Asia quickly came to see the conflict in Afghanistan as an American war with Tony Blair leading cheers from the sidelines. Recent American calls to action in Iraq have only reinforced international perception that the U.S. plans to remain a solitary actor on the world stage. Despite our stated good intentions -- the causes of justice and democracy -- we have become the world's largest rogue nation. The Bush administration did not invent the American tradition of unilateralism, but, Clyde Prestowitz argues, they have taken it to unprecedented heights. Rogue Nation explores the historical roots of the

Access Free Great American Hypocrites

Unilateral impulse and shows how it helps shape American foreign policy in every important area: trade and economic policy, arms control, energy, environment, drug trafficking, agriculture. Even now, when the need for multilateral action -- and the danger of going it alone -- has never been greater, we continue to act contrary to international law, custom, and our own best interests.

The New York Times Bestseller In May 2013, Glenn Greenwald set out for Hong Kong to meet an anonymous source who claimed to have astonishing evidence of pervasive government spying and insisted on communicating only through heavily encrypted

Access Free Great American Hypocrites

channels. That source turned out to be the 29-year-old NSA contractor and whistleblower Edward Snowden, and his revelations about the agency's widespread, systemic overreach proved to be some of the most explosive and consequential news in recent history, triggering a fierce debate over national security and information privacy. As the arguments rage on and the government considers various proposals for reform, it is clear that we have yet to see the full impact of Snowden's disclosures. Now for the first time, Greenwald fits all the pieces together, recounting his high-intensity ten-day trip to Hong Kong, examining the broader implications of the surveillance detailed in his

Access Free Great American Hypocrites

Reporting for The Guardian, and revealing fresh information on the NSA's unprecedented abuse of power with never-before-seen documents entrusted to him by Snowden himself. Going beyond NSA specifics, Greenwald also takes on the establishment media, excoriating their habitual avoidance of adversarial reporting on the government and their failure to serve the interests of the people. Finally, he asks what it means both for individuals and for a nation's political health when a government pries so invasively into the private lives of its citizens—and considers what safeguards and forms of oversight are necessary to protect democracy in the digital age. Coming at a landmark moment in

American history. No Place to
Hide is a fearless, incisive, and
essential contribution to our
understanding of the U.S.
surveillance state.

The ultimate in slow-cooker
books--with 500 recipes, each
adapted for three sizes of
appliance. From breakfast to
soups, mains to grains,
vegetables to desserts, this guide
is the only book you'll ever need
to master your slow cooker or
crockpot. Millions of people are
turning to slow cookers for their
weeknight meals yet often can't
find recipes that match their
exact machine. Adapting recipes
meant for a different-size cooker
doesn't work--getting the right
level of spice in your Vietnamese

Access Free Great American Hypocrites

_soup or keeping pulled pork tender requires having ingredients in the right proportion. But now, Bruce Weinstein and Mark Scarbrough have decoded slow cookers, and each of their recipes includes ingredient proportions for 2-3 quart, 4-5 quart, and 6-8 quart machines, guaranteeing a perfect fit no matter what machine you own. Each recipe is labeled for its level of difficulty and nutritional value, and they cover every kind of dish imaginable: delicious breakfast oatmeals, slow-braised meats, succulent vegetables, sweet jams and savory sauces, decadent desserts. This is the slow cooker book to end them all.

An explosive examination of the

Access Free Great American Hypocrites

Coalition of forces that threatens the nation, from the bestselling author of *American Dynasty*. In his two most recent bestselling books, *American Dynasty* and *Wealth and Democracy*, Kevin Phillips established himself as a powerful critic of the political and economic forces that rule—and imperil—the United States, tracing the ever more alarming path of the emerging Republican majority's rise to power. Now Phillips takes an uncompromising view of the current age of global overreach, fundamentalist religion, diminishing resources, and ballooning debt under the GOP majority. With an eye to the past and a searing vision of the future, Phillips confirms what too many Americans are still unwilling

Access Free Great American Hypocrites

To admit about the depth of our
misgovernment.

Rogue State and its author came to sudden international attention when Osama Bin Laden quoted the book publicly in January 2006, propelling the book to the top of the bestseller charts in a matter of hours. This book is a revised and updated version of the edition Bin Laden referred to in his address.

An authoritative portrait of the Latin-American warrior-statesman examines his life against a backdrop of the tensions of nineteenth-century South America, covering his achievements as a strategist, abolitionist, and diplomat.

From the author of Alexander Hamilton, the New York Times bestselling biography that inspired the musical, comes a gripping portrait of the first president of the United States. Winner of the 2011 Pulitzer Prize for Biography “Truly magnificent . . . [a] well-researched, well-written and absolutely definitive biography” —Andrew Roberts, The Wall Street Journal “Until recently, I’d never believed that there could be such a thing as a truly gripping biography of George Washington . . . Well, I was wrong. I can’t recommend it highly enough—as history, as epic, and, not least, as entertainment.” —Hendrik Hertzberg, The New Yorker

Access Free Great American Hypocrites

Celebrated biographer Ron Chernow provides a richly nuanced portrait of the father of our nation and the first president of the United States. With a breadth and depth matched by no other one volume biography of George Washington, this crisply paced narrative carries the reader through his adventurous early years, his heroic exploits with the Continental Army during the Revolutionary War, his presiding over the Constitutional Convention, and his magnificent performance as America's first president. In this groundbreaking work, based on massive research, Chernow shatters forever the stereotype of George Washington as a stolid, unemotional figure and brings to vivid life a dashing,

Access Free Great American Hypocrites

passionate man of fiery opinions and many moods. Lin-Manuel Miranda's smash Broadway musical Hamilton has sparked new interest in the Revolutionary War and the Founding Fathers. In addition to Alexander Hamilton, the production also features George Washington, Thomas Jefferson, James Madison, Aaron Burr, Lafayette, and many more.

"From the editor-at-large of Breitbart.com, a timely and compelling look at how liberals use bullying toward their opponents on today's top political issues"--
