Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.

The Dog Groomer's Manual is the definitive reference book covering all aspects of the work of the dog groomer. This highly illustrated book will help owners, students and professional dog groomers develop their skills and knowledge. It will enable them to adapt the principles of grooming appropriately, based on a systematic approach to understanding and observing the physical appearance, the nature, the lifestyle and the behaviour of the dog. The Manual covers the following: SCIENCE; The veterinary principles of anatomy and physiology that must inform good grooming practice, pre-grooming health checks, common parasites and skin diseases, infectious and zoonotic diseases. PRACTICE; Running a grooming business and the diverse standards of safety, hygiene and professionalism required in the grooming workshop; First Aid and what to do in emergency situations; handling and restraining the dog safely, grooming equipment and tools. ART; Grooming out the coat, bathing and drying, clipping, scissoring, hand stripping and plucking, styling, preventative healthcare products. Referenced to reliable sources of information and adhering to the requirements of City & Guilds, British Dog Grooming Association, and nationally recognized dog grooming qualifications, The Dog Groomer's Manual is the perfect companion for dog groomers around the world seeking to attain these internationally recognized awards. Superbly illustrated with 1000 colour photographs.

One of the responsibilities of every dog or cat owner is that of coat care.
