"What is he? A friend, or an enemy?" "He is a murderer." Will has just killed a man. He’s on the run. His escape will take him far beyond his own world, to the eerie disquiet of a deserted city, and to a girl, Lyra. Her fate is strangely linked to his own, and together they must find the most powerful weapon in all the worlds... The second volume in Philip Pullman's incredible HIS DARK MATERIALS trilogy. First published in 1995, and acclaimed as a modern masterpiece, it won the UK’s top awards for children’s literature.

Philip Pullman has created a fantasy world, where demons swoop and scuttle along the streets of London and Oxford, where the mysterious Dust swirls invisibly through the air, and where only one child knows secrets the adults would kill for.

Lyra and Will find themselves at the center of a battle between the forces of the Authority and those gathered by Lyra’s father, Lord Asriel.

Living among scholars in the hallowed halls of Jordan College, Lyra hears rumors of a magical dust that supposedly possesses powers that can unite whole universes, and begins a difficult and dangerous journey to find it. Reissue. Teacher’s Guide available.

Twenty-year-old college undergraduate Lyra is once again thrown together with Malcom Polstead, now a professor, after Lyra and her daemon, Pantalaimon, receive secrets from a dying man about a daemon-haunted city and the origins of Dust.

Lyra Belacqua tries to prevent kidnapped children from becoming the subject of gruesome experiments, decides to help Will Parry search for his father, and finds that she and Will are caught in a battle between the forces of the Authority and those gathered by her uncle, Lord Asriel.

Lyra Belacqua tries to prevent kidnapped children from becoming the subject of gruesome experiments, helps Will Parry search for his father, and finds that she and Will are caught in a battle between the forces of the Authority and those gathered by her uncle, Lord Asriel.

Lyra and Pantalaimon (now a pine-marten) are back at Oxford, but their peace is shattered by Ragi, the daemon of the witch Yelena, who is searching for a healing elixir to cure his witch.
