Reproducible student activities cover early Native American settlements, African and western European influences, and Spanish and Portugese exploration.

This Handbook presents an international collection of essays examining history education past and present. Framing recent curriculum reforms in Canada and in the United States in light of a century-long debate between the relationship between theory and practice, this collection contextualizes the debate by exploring the evolution of history and social studies education within their state or national contexts. With contributions ranging from Canada, Finland, New Zealand,
