Geometry unit 2 parallel lines and transversals worksheet answers. Lines are cut by a transversal then the alternate interior angles are congruent. If 2 lines are cut by a transversal so that alternate interior angles are congruent then the lines are parallel. When a line intersects two or more lines the angles formed at the intersection points create special angle pairs.

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.
