BCC: In his timeless biography written long before the significance of Mozart's work was fully realized, author Edward Holmes reveals the musician's character and genius, his struggles, his influence on art, and the brilliant reputation that surrounded him. Published in 1845 as the first authentic narrative of the life of Mozart to appear in English, it was also the first biography after the composer's death in 1791 to be based upon his letters. Holmes explores Mozart's work from the perspective as a cultured mind of the era.AUTHOR BIO: Edward Holmes, a schoolmate of Keats, provides the first complete account of Wolfgang Amadeus Mozart, based upon the composer's own letters and memoirs.

A text for all interested in the art of scriptwriting--more particularly Christian playwrighting. Filled with explanations, examples, exercises.

In an industry where nothing is real and no one actually wins or loses, the possibilities for manipulation are endless. The nepotism, backward logic, and power plays behind the World Wrestling Entertainment's (WWE) downfall are exposed in this indictment of wrestling's first family. An analysis of the McMahons' poorly written scripts discloses how nepotism and vanity have taken over their creativity, while input from many well-known figures provides details on the complicated and seemingly endless web of manipulation that has led to such questionable behaviors as locker-room hazing and sexual indiscretions. WWE's racist undertones are also discussed, with a firsthand account on how being black affected one wrestler's match with a world champion.

The Bluebeard fairy tale retold. . . . When seventeen-year-old Sophia Petheram's beloved father dies, she receives an unexpected letter. An invitation—on fine ivory paper, in bold black handwriting—from the mysterious Monsieur Bernard de Cressac, her godfather. With no money and fewer options, Sophie accepts, leaving her humble childhood home for the astonishingly lavish Wyndriven Abbey, in the heart of Mississippi. Sophie has always longed for a comfortable life, and she finds herself both attracted to and shocked by the charm and easy manners of her overgenerous guardian. But as she begins to piece together the mystery of his past, it's as if, thread by thread, a silken net is tightening around her. And as she gathers stories and catches whispers of his former wives—all with hair as red as her own—in the forgotten corners of the abbey, Sophie knows she's trapped in the passion and danger of de Cressac's intoxicating world. Glowing strands of romance, mystery, and suspense are woven into this breathtaking debut—a thrilling retelling of the "Bluebeard" fairy tale.

Featuring a foreword by award-winning Tarot author Barbara Moore After learning Tarot card meanings and basic spreads, the next step for beginners is fitting all these pieces into a cohesive, insightful reading. Josephine Ellershaw, the author of the international bestseller Easy Tarot, presents an easy, effective, and enjoyable way for anyone to learn to do amazingly accurate, helpful Tarot readings. Ellershaw illuminates the Tarot reading process by inviting you to virtually sit in on her readings with ten individuals. Card by card, spread by spread, she reveals her thought process behind each interpretation and decision, and tells how to make the connections that add clarity and depth to a reading. These compelling and memorable accounts of ten very different readings, along with follow-up documentation of how relevant each reading proved to be, result in a powerful and completely unique approach to learning to do Tarot readings. Easy Tarot Reading also includes tips on the following topics: —Ethical guidelines and responsibility —Conducting email and telephone readings —Delivering bad news —Seeker involvement and icebreakers —Frequency of consultations —Indicators of success, secrets, and skulduggery Praise: "A truly unique book . . . This engaging and honest behind-the-scenes glimpse into the world of Tarot will delight and inspire both Tarot enthusiasts and curious newcomers alike."—Lisa Finander, author of Disneystrology "I absolutely adore this book . . . Ellershaw presents the 'story' that a reading really is in fine fashion!"—Bonnie Cehovec, Aelectic Tarot "If you've never read cards before, this is the book to start with. If you're already reading cards, this is the book that will help you fine tune your skills."—Anna Jedziewski, TarotWise.com

In RHAPSODY a fellowship was forged, three companions who triumphed over adversity: Rhapsody, a singer of great talent and beauty; Achmed, the enigmatic assassin; and Grunthor, the gruff, warm hearted, deadly Firlbolg. Together they faced an ancient evil; the demon F'dor. In PROPHECY they learned they might be their world's only hope, heroes spoken of in the Prophecy of the Three. In DESTINY, Rhapsody and Achmed seek out the offspring of the F'dor, hoping to use them to hunt it down, while Grunthor prepares the Bolg for war. But the world is crossing the threshold of disaster and faces utter oblivion. In DESTINY, Haydon brings the action to a fever pitch, achieving a crescendo of tragedy, love, and triumph of their human spirit over world-shattering cataclysm.

With four illustrated squares depicting each renowned novel, the reader can storm through the world famous classics in a matter of hours. This is the first illustrated compilation of must-read books and includes quirky facts about each author.
