Self-serve dog washes are a popular canine trend that can enable those in the pet industry to clean up—literally and figuratively. According to Dave Grass, author of "Start Your Own Self-Serve Dog Wash," this can be a lucrative business—especially with the pet industry continuing to experience a boom with an increasing number of dog owners each year.

Looking for a new career? Want to be self-employed? Want to start a business with little overhead? Then stop searching, this is the book you want to read! This book takes you step by step through the process of starting your own medical billing service from your home. The world of medical billing is an ever changing one. Policies and procedures are constantly being updated. In this book I will teach you how to stay on top of them. Medical providers and their staff do not have the time or resources to keep up with insurance companies and their seemingly constant policy changes. Many medical providers outsource to professional medical billing services, like the one I will teach you to be. This book will take you step by step to start your medical billing service. Including all the tools you need to get started, how to market a provider, writing a professional contract, determining your fees, and choosing software. I also share my secrets of medical insurance companies and patient collections with you. Throughout the book I discuss additional services you can offer to generate even more income for your medical billing service. You can and will be successful!

Self-publishing is a fast-growing industry, and bookstores and consumers alike are beginning to acknowledge the value of self-published books. In this valuable guide, industry experts coach you in becoming a player in the self-publishing arena—whether it is self-publishing your own book or providing professional services for others who want to self-publish. Entrepreneur Press is a leading small to midsized business trade publisher, provides aspiring, emerging, and growing entrepreneurs with actionable solutions to every business challenge—ultimately, leading them from business idea to business success.

If you're tired of your job, working for others and making them money, and you want to start your own business, then this book is for you! Even if you don't have tons of money to start a big business, there is something in this book for just about everyone, who wants to start their own part-time or full-time business, working for themselves! This book will give you many ideas of how you can start a business and head you in the right direction of what lots of them are and how to start and market them to make money. If you pick any of these businesses to start, or have your own ideas of a different business, then this book will motivate you to get started right away. This book contains lots of various businesses that almost anyone can start, and you can make it as big as you want to build it up to. If this book gives you one different way to look at things, or gives you a better idea on how to market, or sell your product or service, then this book has just paid for itself and probably more, as you will save money, and have some new ideas to make your business make more money for you, after you read it! You also get with this book a bonus section which includes over 101 of some of the biggest, and largest suppliers of general merchandise in the United States for just about any type of retail store. If you're thinking of opening any type of retail store, or already have one, you will want to see some of the wholesalers in this book! Chances are good you will save money with just one of the vendors you might end up doing business with. It contains names, what they sell, phone numbers, websites, and more! This book is a must read for any person that wants to make their life better by starting their own business working for themselves, or running your own retail business, and finding better suppliers, and cheaper prices! You will love this book and it will make you money and give you some great ideas!

Practical tactics to grow your willpower, stop procrastination, focus like a laser, and achieve whatever you set your mind to. Following through and finishing what you start- more valuable skills than you realize. With exercises designed to foster cheerfulness, kindness, generosity, gratitude, acceptance and inclusion, integrity, and honesty, you can learn how easy it is to be the person you've always wanted to be.

Profits from Pages Self-publishing is a fast-growing industry, and bookstores and consumers alike now acknowledge the value of self-published books. In this valuable guide, industry experts coach you in becoming a player in the self-publishing arena—whether it is self-publishing your own book or providing professional services for others who want to self-publish. Our experts reveal the tricks of the self-publishing trade: how to evaluate book ideas and recognize a hot-seller; how to develop an effective marketing plan; getting books reviewed and landing great publicity; getting books into traditional and non-traditional sales channels; tapping into the potential of online publishing, and more. Addresses dramatic game-changers including print-on-demand and ebooks Reviews industry player offerings including Ingram and Amazon Covers critical marketing tools including author websites and social media marketing Features interviews with industry insiders and practicing self-published authors Plus, a quick-reference guide to every step in the publishing process helps you along your way.

The book aims at providing solutions to psychological problems of human beings through the lessons of motivation and self-development. Instead of using prosaic text, the approach here is through an actual modern day fable with which one can relate oneself directly. The book teaches the principles of motivation and self-development. The author strongly feels that there is no end of the road, howsoever disheartened you may be. He shows you the way through an analogy with the computer. What do you do when your computer system hangs somehow. You press the "Reset" button to start all over again. So it is with your personality. You can press the "Reset" button of your life any time and start a new life at any point of time, provided you have the willingness to accept responsibility and take charge of your life.
