When Tilly wants to wear her tutu all the time and rips it on the playground, Mama surprises her with the best place to wear it--dancing class.

A young girl learns that there is a time and a place for everything, including wearing her beloved tutu.

Taylor loved her tutu and wore it all the time, day and night. She wore it to school and she wore it in the pool, much to the mild annoyance and amusement of her friends and family. Will she ever give up that tutu? With style and humor, this charming book addresses young children's attachments to specific articles of clothing. Hiroe Nakata's playful illustrations are the perfect complement to Michelle Sinclair Colman's lively rhyming text.

Tutus and leotards, pointe shoes and ribbons, stretching exercises at the barre - these are all familiar images when one is thinking of ballet. But there's much more to this historic dance form than pink tulle. There's hard work with years of study. Following the alphabet, in T is for Tutu: A Ballet Alphabet dancer Sonia Rodriguez, with husband Kurt Browning, introduces this dance form from its beginnings at the court of Louis XIV to basic positions and training to famous stage roles. L is for the Leotard that shows the dancer's form. Whenever they are rehearsing it becomes their uniform. Young readers will find themselves pointing their toes, practicing the five positions, and dreaming of being onstage as a sugarplum fairy or a king with a crown. Sonia Rodriguez has been the Principal Dancer with The National Ballet of Canada since 2000. Her husband, Kurt Browning, is a four-time world champion figure skater. Kurt is also the author of A is for Axel: An Ice Skating Alphabet. They live in Toronto, Ontario. Known for his fluid movement and confidence on the ice, four-time world champion figure skater Kurt Browning spins, jumps, and glides his way through the alphabet with A is for Axel: An Ice Skating Alphabet. Kurt was the first figure

skater to be named as Canada's outstanding male athlete, was honored by Sports Illustrated as one of the 50 greatest sports figures from Canada, and is a member of Canada's Sports Hall of Fame. Completing the first quadruple jump in competition earned Kurt his way into the Guinness Book of Records. Kurt presently skates professionally with Stars on Ice and lives in Toronto with his wife and son. Wilson Ong went to Brigham Young University, receiving a B.F.A. in painting and drawing. He furthered his studies at the Art Students' League in New York City. He lives in Corning, New York.

A young girl puts on costumes of different colors and imagines herself dancing on stage.

Gathers stories about a girl who loves to dress like a dancer, waiting for a trip to grandmother's house, a mother and daughter who prepare a rainy day party, and the lives of jewel and flower fairies, and describes a ballet class.

The perfect picture book celebrating friendship, compassion, diversity and togetherness in the world. Our friends are all different, but one thing is true, each one is quite precious and that includes YOU! Award-winning Caryl Hart and Ali Pye have created a beautifully fun-filled and vibrant picture book showing children forming friendships and displaying kindness and compassion. The perfect rhyming read-aloud with joyous illustrations, this book celebrates diversity and inclusivity throughout and highlights how important togetherness is in our world.

Tallulah just knew she could be a great ballerina, if only she had a tutu. So she starts ballet class. When she does not receive a tutu, she quits. But everywhere she goes, things keep reminding her of ballet. Her neighbor's basset hound always stands in second position. The kitchen clock performs perfect ronds de jambe. And Tallulah can't seem to stop doing ballet, either. A park bench makes a perfect barre, and what better way to pet the dog than with a graceful plié? This well-told, funny story with a smart new character will satisfy girls' cravings for pretty and pink, but also shows that ballet is about more than just the tutu.

Two best friends compete for the role of Clara in "The Nutcracker" in this sequel to the popular "All Tutus Should Be Pink".
