Unavailable for almost 20 years, a little-known Dr. Seuss book about careers gets a fresh new look! Wildly imaginative and told in rollicking rhyme, this beginning reader about careers could ONLY have been written by Dr. Seuss! Featuring a mix of real jobs (like firefighter, doctor, teacher, farmer, etc.) and Seussian ones (including perfume smeller, fishbone boner, bass-drum banger, and roller coaster owner), it will incite plenty of giggles while planting the seed of a serious idea: that everyone needs to do something in life, and there are LOTS of choices! Fully illustrated with charming new art (featuring a multicultural cast in nontraditional gender roles), this is a great choice for home and classroom use! Launched in 1957 with *The Cat in the Hat* and written specifically for emergent readers, *Beginner Books* combine an exacting blend of simple words and fun pictures that encourage children to read--all by themselves.

A little boy who overfeeds his goldfish begins an adventure that brings even the police and a fire engine to cope with a fish out of water. Beginning readers will delight in this fast-moving story.

Unavailable for almost 20 years, a funny easy-reader about responsibility gets a fresh new look! When a little bear forgets to close the door to his house, he encounters a series of unwelcome (and untidy) visitors--including a swarm of flies, an egg-loving skunk, and a moose in search of a bath! This rhymed easy-reader by Robert Lopshire--author of *Put Me in the Zoo* and *I Want to Be Somebody New!*--is perfect for beginning readers, and its surprise ending (in which the little bear's mom forgets to shut the door herself--oops!) will leave kids giggling with glee while reinforcing the message that we ALL need to be responsible for our actions. With charming new illustrations by Maria Karipidou, this is the kind of classic, funny *Beginner Book* with a message that kids, parents, and educators will adore! Originally created by Dr. Seuss, *Beginner Books* encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

I wish I had a tail like a duck To waddle, waddle so funny I'd finally love it when it rains And look for a pond when it's sunny. Upon discovering the different personalities that come along with the assorted tails, the reader can discover why it's better to be an animal lover. Beautifully illustrated by Nicole Loveass-Nagy, readers are sure to be delighted by this tale of tails.
