John le Carré, best-selling spy novelist, dies at 89 - CNN

CNN's John Avlon looks back at presidential 'derangement syndromes' and how the current one is afflicting President Trump and his supporters.

This concise text provides students and instructors with a comprehensive overview of world politics, inviting them in a straightforward and accessible way to explore international relations and its new challenges. A hallmark of the text is the authors' position that politics affect the lives of all of us, and that the individual can have an impact, whether small or large, by being politically aware and by taking action. The eighth edition includes an enhanced art program with 7 more charts and analyses and updates of currents including economic trends, possibilities of a new direction in U.S. foreign policy under the Obama administration, global environment issues and much more.

Provides students and instructors with the information available, inviting them to explore international relations and its challenges in a straightforward, accessible way. A hallmark of the text is its position that international relations do matter to students and that the individual can have an impact on international relations.

Globalizing the curriculum has become a mantra throughout APSA and the American university system. "Demography is destiny" is also resonating widely from coast to coast. America's Politics speaks to both trends and weaves them into the story of U.S. national government in a compact, affordable, student-friendly textbook that is as timely as the stock market ticker and yet as time honored as American traditions of immigration, revolution, and innovation. This is the first introductory American government text with a theme of globalization and diversity, written by a leading textbook author with a background in American foreign policy and international relations.

MORAL ISSUES IN BUSINESS, 13E examines the moral dilemmas that are common to today's business climate and gives readers the analytical tools to resolve those issues. Using a combination of true stories, interesting reading selections, and a conversational writing style, this edition prepares readers for the moral quandaries awaiting them in the professional world. Featured topics include: the nature of morality, individual integrity and responsibility, economic justice, pitfalls of capitalism, and corporations' responsibilities to consumers and the environment. Plus, this edition also discusses situation-specific concepts such as downsizing, whistle blowing, sexual harassment, job discrimination, animal abuse, and drug
